### Principal's Message

Dear parents and carers

This year's school fair raffle has some marvellous prizes on offer. Each prize has been donated by a very generous business to support our school. You will find a raffle ticket book attached to this newsletter. Please sell the tickets to your family and friends and return the ticket stubs and the money to school before the day of our school fair. Tickets are only \$2 each and there are plenty more ticket books available at the office if you can sell more. Because the prizes have been donated, every ticket you sell goes directly to our school.

The election of Junior School Council (JSC) representatives took place last week. Councillors are elected in grades 3—6 and the presidents of JSC are elected from grade 6. The 2023 JSC representatives are Oscar and Willow in grade 3, Callum, Eloise and Noah M in grade 4 and Holiday, Natalie, Noah W and Owen in grade 5 and Matilda & Abi in grade 6. Congratulations to all of these students.

Our interschool Tee-ball teams competed in Romsey today in the interschool competition. The teams have been practising hard in recent weeks to prepare for the competition. Results will be in next week's newsletter! Many thanks to the staff who

prepared the teams for the event and accompanied them today. Thank you also to the parents who went along to support the teams.

We are still looking for parents/carers who would like to join the school council in 2023. The nomination period will be extended to next Wednesday 8th March. Please consider nominating for school council this year. It is a terrific way to get involved at school.

There is a lot of information in this newsletter to help you with your preparations for our upcoming school fair. There is no doubt that the fair is approaching very quickly indeed! We need all families to help on the day as well as contributing baked goods, preserves, curries, crafts or produce. To assist the stall coordinators, please fill in and return the reply slips that are included in this newsletter to indicate what you can bake or make for the fair. Please also add your name to the roster to assist on the day at one of the stalls or attractions if you have not already done so.

Have a lovely weekend!

Regards

Lee MacDonald

## SCHOOL COUNCIL NOMINATIONS NEEDED!

Nominations for school council opened on Wednesday 22nd February . Meetings are held once per month and school councillors are elected for a 2 year term. Half of the school councillors reach the end of their 2 year term each year.

For 2023, we need 4 parent/carer or community representatives to replace our retiring councillors. All parents/carers are welcome to nominate for school council. Nomination forms to nominate another parent, or self-nominate. Nominations close on Wednesday 8th March at 9am. There are also 2 casual vacancies on school council

The school council:

- helps create and check the school's budget and approves financial transactions
- contributes to the school strategic plan
- makes decisions and develops some school policies

More information about what school council does can be found at:

<https://www.education.vic.gov.au/parents/going-to-school/Pages/get-involved-at-school.aspx>.

Please chat to Lee or a current school councillor if you want to know more about school council.

## SCHOOL CROSS COUNTRY AND JUNIOR SCHOOL NEIGHBOURHOOD WALK

## HEALTH MATTERS

### GASTROENTERITIS ("GASTRO")

We are still having occurrences of children with nausea, vomiting and diarrhoea. There has been an outbreak of infectious gastrointestinal illnesses across the state. "Gastro" is extremely infectious. If your child suffers vomiting or diarrhoea, it is recommended they stay home from school for **48 hours after the symptoms disappear**. Please follow this recommendation so we can limit the spread of these infections.

### ADMINISTRATION OF MEDICATIONS AT SCHOOL

From time to time, children need to have doses of prescribed or over the counter medications administered at school. If your child needs medication while at school, please obtain a Medication Authority form from the office and complete it. The medication should then be given to the office staff with the completed form. Medication must remain in its original packaging. Office staff will give the child the medication as instructed on the authority and record the dose given in the log sheet. These measures ensure the safety of all children.

## THIS WEEK IN OUT OF SCHOOL CARE

Hey Team!

We have had an awesome week in OSHC this week!

We have moved on from our week 3&4 focus of sport into our focus of week 5&6 which is science!

We kicked off the week by making slime which was so messy but so much fun! On Tuesday, we started our 'bouncy egg experiment'. Ivy, Audrey, Matilda, Adeline, Evie, Ethan, Elliot, Hugo, Max and Flynn all worked together to assemble the experiment and as a group, we predicted what might happen to our eggs over the week. You can read about that on our display at the front of the room! We have also made our own crystals and can't wait to do even more fun experiments next week!

We also successfully made sushi on Wednesday! Ben, Walter, Rosalie, Gwen, Julian, George and Ella helped to make it and it was so delicious that it will be making a come-back next week as well!

Outside, Ben, Elliot, Max, Flynn and Ethan have been playing a cricket-tee ball hybrid game in preparation for interschool sports. Hopscotch is still hanging on as a favourite outdoor game for Adeline, Peyton and Gwen.

As the weather is starting to cool down, we have been spending more time inside but we always try to go outside for at least 30 minutes every night!

We held our first Pancake breakfast last Friday, and it was a raging success!! Everyone had an absolute blast and the children got involved in every step of the process before sitting and enjoying their hard work with their friends! This will be a regular occurrence on Fridays so feel free to book your child into BSC from 6.30am onwards!!

Thanks for another successful week, we'll see you all next week!
