### Principal's Message

Dear parents and carers

Tomorrow is Fair Day and I can hardly wait until it gets underway. I hope that you will put the finishing touches to your family's fresh food and produce donations this afternoon, so they are ready for an early delivery to school in the morning. Every donation adds to the funds raised on the day and I thank you for your scrumptious contributions.

HUGE thanks to our fair coordinators Alisha, Belinda and Catherine and their committee for their hard work, and to those who have volunteered to coordinate a stall or attraction, or work on the roster. A special thank you to Gemma, who is a past fair coordinator. Because of her experience, Gemma has been able to give invaluable advice and assistance to this year's fair organisers.

Because of the 3 year gap since the last fair, this year's event is a bit of an unknown quantity for about half of our school families. Thank you everyone for embracing the unknown and being so willing to put your hand up to support the fair preparations.

If your name is on the fair roster, please make your own way to the stall at the appointed time. Try to be on time so others get a chance to enjoy the fair as well. The roster board will remain in the gallery

beside office so you can check it tomorrow if you need to. You can also ring the office during the fair and Liv will remind you of your rostered time. Sharing the workload will make the day run smoothly and give everyone a terrific time.

Fair proceeds subsidise the costs for every family for our annual swimming program, pay for new computers and equipment and help to keep our school facilities in the best possible condition for our children. The weather forecast is good, and we are ready to go!

In other news, the first meeting of the 2023 school council will be on Tuesday 28th March at 7pm. The council will elect the office bearers, approve financial transactions and approve a number of policies and procedures that start each school council year.

Thank you to the families who attended the working bee on Saturday. Your work is much appreciated. We all worked hard and accomplished a great deal. The school will definitely look at its best for the fair tomorrow!

One more sleep, and I will see you at the fair!

Regards

Lee MacDonald

# TYLDEN PRIMARY SCHOOL FAIR

Saturday 25th March 2023

**Fair day is TOMORROW!**

**Weather forecast: Partly cloudy, 21 degrees**

After many weeks of hard work, fair day is finally here. We can't wait to see our school families and community tomorrow, enjoying one of the most important events on our school calendar.

We need lots of helpers to set up from 7:30am, so please come early if you can. Many hands make light work, and there will be coffee!

We are still in need of helpers for the Curry & BBQ stall and Kids activities (afternoon), so if your family hasn't put your hand up yet please contact the office.

If you have baked cakes, slices or scones for the Devonshire Tea or the Cake Stall, you can take them directly to the stall in the morning.

The same goes for any plants, fresh produce or preserves, craft items, books or trash and treasure that you haven't been able to bring to the office yet. Please take your items directly to the relevant stall in the morning.

Please try to deliver your donations early in the morning, well before the fair starting time of 10am.

If you have made a curry for the Curry stall, please take it directly to Room 4 kitchen in the morning.

**THANK YOU to everyone for your hard work to make the day a success. See you tomorrow!**

## STEPHANIE ALEXANDER KITCHEN GARDEN PROGRAM

It was all about cooking food that is in season in the Stephanie Alexander Kitchen Garden Program in Session 3. Grades 3 and 4 made a very delicious Tomato and Basil soup (Hugo, Flynn and Manny had 4 servings!), bread rolls and an apple and rhubarb crumble. This was the first time we have used yeast and the children were impressed by how much the dough rose. They also gave their arms a good work out with lots of kneading. The bread rolls and herb butter were a huge hit. Rhubarb was a new flavour for some children and the crumble was a lovely sweet end to our meal. It is really pleasing to see the children's skills and confidence grow each time they are in the kitchen.

## OUT OF SCHOOL HOURS CARE

Hey Team!

This week, we are still looking at 'games' as our focus. We have had to improvise for a few nights as the weather has not been suitable for the outside play that we had planned.

Nonetheless, we have still had a fantastic week!

The craft station has been popular this week, Dolly made a box of 100 letters to her mum and dad, Adeline made a TV with 4 different shows that displayed different times of the day. Riley made a fruit salad and Maddie and Flynn made a mail box for the Easter bunny.

The poor weather was not all bad as it meant that we were able to get back into the kitchen for some cooking. Rosalie, Ethan and Peyton made scones with Amy on Monday. They made cheese and rosemary scones with the rosemary from our garden, as well as plain scones that we enjoyed with some jam.

Outside, we played a new game called SPUD and played some classics like animal tiggy, sardines, 40-40 home base and four corners which the children all enjoyed!

Our Pancake Fri-yay is still happening every Friday morning which has been an absolute hit with a lot of you guys so don't forget to book in to a Friday before school care before the end of term!

We would love to continue this into next term if the interest is there or if you guys have any other suggestions, we have a suggestions box at the front of the room!

Have a great weekend everyone, can't wait to see you all at the fair. Hannah ☺

## ANZAC DAY IN KYNETON

Tylden Primary School is invited each year to participate in the ANZAC Day ceremony at Kyneton. Our school Captains contribute a reading in the ceremony and then our students join with Our Lady of the Rosary Kyneton to lead the singing of the New Zealand and Australian national anthems. The ceremony starts at 9:45am at the cenotaph on the corner of High and Mollison Streets. Students should wear school uniform and meet Ms MacDonald and other staff at 9:30am.

Students **from all grades (Prep—6) are welcome to participate**. We will have some practices before the end of term. This is an important community event and it is fantastic that Tylden PS is involved every year. Remember Anzac Day is the day before the students return to school for the start of term 2.

### ANZAC DAY COMMEMORATION KYNETON

**Tuesday 25th APRIL at 9.30am**

My child/ren \_\_\_\_\_ will participate in singing the National Anthem at the Kyneton ANZAC Day Ceremony. Children should wear school uniform to this event.

Please return to the office by **Thursday 6th April**.
