### Principal's Message

Dear Parents and Carers

This is the final newsletter for term 1 and when I look back over the last 10 weeks, I think it has been very enjoyable and very productive. I am sure you will agree that our amazing school fair was a magnificent finale!

I would like to thank the staff for their work this term. They are dedicated and hardworking, and we are extremely lucky to have them. A huge thank you also to all parents and carers for the many ways that you have supported your children's education at home and at school. I was very proud to see how easily our students settled into 2023 and how well they have applied themselves to their learning throughout the term. Visitors to the school regularly comment to me on the way our students care for each other and their obvious pride in their school.

We will farewell Theo and his family at the end of this term and will also say goodbye to Audrey and Ivy and their family. I wish them all the very best for the future and thank them for their valuable contribution to our school over many years

I hope to see many Tylden students representing

our school at the community ceremony in Kyneton on ANZAC Day. This is a national day of commemoration, and I am always proud to accompany our students as they represent their school at this important local event. We will meet at the Kyneton cenotaph at 9:30am for a 10am start.

Second term starts at 9am on Wednesday 27th April, which is the day after ANZAC Day. A reminder that school hats will still be needed after the holidays because we continue to wear hats until the UV radiation level drops to a safe level.

I hope you have a safe and very enjoyable holiday, taking time to relax with family and friends.

I look forward to seeing you all next term.

Regards

Lee MacDonald

## CAMPS & EXCURSION FUND (CSEF)

The Camps, Sports and Excursions Fund (CSEF) will provide payments for eligible students to attend camps, sports & excursions. Families holding a valid means-tested concession card or temporary foster parents are eligible to apply. CSEF applications open from Term 1, 2023. **Forms are available at the office.** Parents or legal guardians are required to submit a new CSEF application form each year.

## STEPHANIE ALEXANDER KITCHEN GARDEN

The pizzas we made in session 4 were amazing!! This was a very popular cooking session with many children heading out to lunch play with very fully tummies. We made Potato and Rosemary pizza and Margarita pizza. We used yeast again in our dough and watched it froth up when left to rest with warm water and sugar, then it worked its magic and made our pizza dough rise. Slicing the potato thinly honed our bear claw cutting skills and we used more of our school grown herbs- garlic, rosemary and basil. As a side dish to our pizzas we made another delicious green salad.

The children in Grades 3 and 4 have made amazing progress with their kitchen skills this term, I can't wait until next term to see this improvement continue.

## JUNIOR SCHOOL COUNCIL—HOUSE COLOURS DAY

The school was a rainbow of colour on Wednesday which was House Colours Day. Members of each house worked together on an activity to create a house banner. The results will be displayed on the House notice board in the shared activity area (outside room 3). The photos below show the 3 houses hard at work creating their banners.
