Principal's Message

Dear Parents and Carers

Welcome back to school for a new term. I hope that you had a restful and enjoyable holiday.

We had very a pleasant first day of term on Wednesday, in beautiful autumn weather. It was wonderful to catch up with the students and hear some of the news about their holidays.

I was very proud of the students who represented our school at the ANZAC Day commemoration in Kyneton on Tuesday. It was terrific to have such a large number of students there, and their attention to the proceedings and singing at the end of the ceremony was exemplary. Our school captains Thomas and Quincy presented their reading clearly and confidently to the large crowd and were then joined by vice captains Liv and Jed to lay the wreath on behalf of the school.

Yesterday, 45 students from grades 3—6 participated in the interschool cross country event at Hanging rock. The earlier than expected change in weather made the day more challenging, but our students competed in good spirits and showed excellent support for each other in their events. Well done to all students

who competed on the day and many thanks to the teachers and parents who attended to support and supervise our school team.

Thank you to the families who responded to the survey regarding our school fair last term. Your feedback will be analysed and will help to make improvements to the next school fair in 2024.

I sent a Konnective earlier this week to bring your attention to the Macedon Ranges Shire Council request for feedback about the footpaths in the shire. If you have any ideas about the provision of footpaths in Tylden or around your home in other parts of the shire, I encourage you to provide it to the shire. Feedback and submissions must be received by Sunday 30th April. You can access information via this link:

A reminder to the rostered families that the working bee scheduled for tomorrow has been cancelled.

Have a great weekend!

Warm regards
