Principal's Message

Dear Parents and Carers

Thank you to the families who have registered for XUNO already. This new application will soon become the major tool for online communication between home and school because Konnective is ceasing operation. Please register as soon as you can using the information that was sent last week. Contact the office if you can't locate the email.

Congratulations to the interschool soccer teams who competed last Friday. The girls' team made it to the final on the day, and the boys' team played competitively in every match. They are off to another sports day on Tuesday. It is a busy time for interschool sport!

School council met on Tuesday and the business included the endorsement of the 2022 Annual Report, approval of school financial transactions, deciding on the date for the 2024 school fair and some discussions of quotes for improvements to the Big Shed floor. The 2022 Annual Report will be available on the school website from next Monday. A hard copy can also be obtained from the school office.

We held open days this week for 2024 enrolments. It was lovely to meet some prospective new families and I hope they will

follow up with enrolment forms. The numbers were quite low however, so I encourage all of our current families to suggest to any families they know that they attend the open morning tomorrow (Saturday) or make an alternative appointment for a school tour in the coming weeks.

We have our annual Tylden's Got Talent event coming up on Thursday 8th June. This is one of my favourite school events. Students of all ages plan and rehearse an act and perform it on the day. We usually have a variety of acts including dances, comedy, singing and instrumental items. It is a lovely afternoon and I encourage parents/carers to note the date in your diary and come along. It is held in the Big Shed and starts at 1:30pm. Tylden's Got Talent is a delightful event and is always true to its name.

Have a great weekend!

Warm regards

Lee MacDonald

STUDENTS OF THE WEEK

Peyton— For displaying the school value of friendliness and respect. You are a kind and thoughtful class member. Keep it up Peyton.

Raphael— For making wonderful progress with your writing. You have created some beautiful sentences and handwriting is showing great improvement. Keep it up

Elder— when learning equivalent fractions, paying attention and putting in an excellent effort to extend his knowledge.

Charlie—For trying hard all week. You have been loud and proud in our phonemic awareness. Keep up the great work.

Michael— For applying himself to learning and practising the class concert dance.

2023 PREMIERS' READING CHALLENGE

The Premiers' Reading Challenge will begin on Monday 15th May at Tylden PS.

For those who are new to the challenge, this is how it works.

Your child will bring home a book from a tub in their classroom containing titles which are listed on this year's Premiers Reading Challenge list. They can either read the book on their own, or you can read it with them. You record title and author of the book on the checklist provided by the school, and your child returns the book and swaps it for another from the PRC tub.

The junior students (grades P-2) have all been provided with a checklist to record the names of the books that they bring home. The juniors need to share and record **30 books**. The senior students (grades 3-6) need to record **15 books**. Seniors can request a record sheet from Mrs Bird if they want one.

All students can also record any other books that they may read at home to their list. Titles don't all have to come from the official challenge list.

Please send your child's completed list back to school or you can scan and email the list to me, directly so that I can enter them on the official PRC website.

The Challenge runs until September, so there is plenty of time for your child to reach their goal. If they meet the challenge by reading the correct number of books by September, they will receive a special certificate at the end of the year.

If there are any queries don't hesitate to contact me at:

INTERSCHOOL SOCCER

Grade 5 & 6 students competed in the interschool soccer competition last Friday. Both teams played very well against stiff competition. The girls qualified for the final but lost in a tight game. It is always a pleasure to take our teams to interschool competitions. They are supportive of each other and play in good spirits, whether winning or losing. Thank you to Mr Bracher, Mrs Hughes, Jeff Tynan and Ben Sonogan (pre-service teacher) for their supervision and coaching on the day.

XUNO for parents

All parents should have received a welcome email from XUNO last week. If you have not received an email, please check your junk/spam folder.

The email will contain the following information, prefilled with your details,

Portal: <https://tyldenps.xuno.com.au>

Username: XXXXX or your email address

Password: click here

We are moving to XUNO in the coming weeks and would like all parents to sign up as this is the way that parents will be able to communicate with the school. Konnective will no longer be available for absences and communication.

XUNO Family App User Guide

Hi there,

XUNO Family is an app that will help make communication with the school quick and easy - giving you access to a wealth of information, without having to sit at a computer.

To log in, follow these steps:

1. Visit the App store or Play store and search for XUNO Family

2. Open the app
3. If asked, please allow push notifications for the most convenient experience with the app
4. Search for your school by typing the first few letters and then selecting your school from the list that appears.

Having problems logging in?

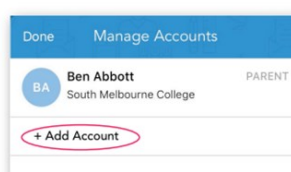

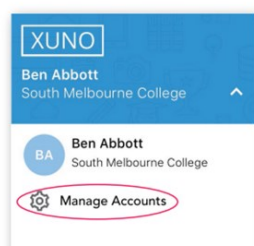

If you have forgotten your password or username, you'll need to head to your school's Xuno website to reset it. If you're not sure what the web address is, please contact your school or look for an email from Xuno which may have the address in it. The web address usually includes your school's name.

For example: <https://schoolname.xuno.com.au> - or - <https://xuno.schoolname.vic.edu.au>

Some families might already have XUNO on their phones as they may have children at a school that uses XUNO such as Kyneton High School, please find instructions below.

If you have children at multiple Xuno schools, you can login to more than one Xuno user on your device:

1. Tap the menu button in the top left 
2. Tap the small white arrow next to the school name
3. Tap Manage Accounts
4. Tap + Add Account
5. Register the new account using the School Code and user details you've been provided.

Please contact the school if you have any questions 54248244.
