Principal's Message

Dear parents and carers

It was a delightful afternoon today at the annual Tylden's Got Talent (TGT) performance. There was a wide variety of items and all were thoroughly enjoyed by the very appreciative audience. It is lovely to see so many children having the courage to present their item in front of a live audience and I am always very proud of every performer. Thank you to Mrs Redman for coordinating the program and to our two MCs, Finn and Thomas. When I talk to past students, TGT often features in their happy memories of their primary years.

During the past three weeks we have had work experience students helping at school. All were past students of our school and we have just loved having them back here to experience a different view of Tylden PS. Many thanks to Emma, James, Jola and Jordan. We thank you sincerely for your work and hope you will consider a career in education in the future.

The grade 4 & 5 students have a long weekend to get everything ready for the Queenscliff camp next week. The group heads off on Wednesday and will return on Friday. There are lots of interesting activities planned, and I think we are all looking forward to the experience.

Congratulations to Lucinda and Leah who competed in the regional cross country event on Wednesday. They ran extremely well in the strong field of competitors. Congratulations to both girls!

Tomorrow (Friday 9th June) is a curriculum day and no students are expected at school. Staff will be working at school on finalising the semester assessments and reports, and planning for term 3. Monday is the public holiday for the King's Birthday. So, I will see you all back at school again on Tuesday 13th June.

Have a safe and happy long weekend!

Regards

STEPHANIE ALEXANDER KITCHEN GARDEN PROGRAM

This session we made roast chicken with thyme, lemon and smashed garlic potatoes, cauliflower with cheese sauce and to finish the meal we made rice pudding with peaches. It was a popular cook and there were very few leftovers. We focused on using cutlery correctly and setting the table. During this session we were very fortunate to have some Year 10 work experience students to help out. James, Yola and Jordan were all past students of Tylden PS and all had experienced the SAKGP when they were at school. It was like stepping back in time for them! The children really enjoyed working with them, thanks for your efforts, James, Yola and Jordan.

XUNO for parents

We are moving to XUNO in the coming weeks and would like all parents to sign up as this is the way that parents will be able to communicate with the school. Konnective will no longer be available for absences and communication.

How to use XUNO to inform the school about a student absence.

XUNO allows you to inform the school that your child will be absent on a specific date or time, either today or for a date in the future, before or after the roll has been marked. This feature is also available through the XUNO family mobile app.
