### Principal's Message

Dear parents and carers

The concert proved to be a wonderful occasion for our students and the whole school community. It was everything that we hoped for and more. The students produced their best performances, and the audience was appreciative and enthusiastic. Thank you for the donations that provided so many delightful prizes in the raffle. Thank you also to the lucky families who won more than once, but insisted on a re-draw. This was a generous demonstration of the spirit of our school community.

The athletics squad travelled to Bendigo yesterday to compete in the interschool athletics carnival. The team had a terrific day and returned to school with place ribbons for many events. Well done to the whole team! Next week is Science Week, and the junior school council suggested a special day during the week. The inaugural "Use your Noodle" day is scheduled for Thursday 17<sup>th</sup> August. For a gold coin donation, students will receive two -minute noodles for lunch and all classes will work on some special science activities and investigations during the day. The gold coins

will be donated to Allergy and Anaphylaxis Australia.

The following week is Children's Book Week and all classes will read and discuss the award winning books for 2023 during the week. Tuesday 22<sup>nd</sup> August is the day when children can choose to dress up as a favourite book character. We will hold a grand parade in the Big Shed straight after the bell at the start of the day, and parents and carers are welcome to watch the grand parade. Dressing up is optional for the children and should not cause stress. Please don't spend a lot of money! Working out what you have at home or can borrow from friends is best. House groups will work together on special activities on Friday 25<sup>th</sup> August to finish off Book Week.

Have a lovely weekend!

Regards

## SAKGP IN RECESS UNTIL TERM 4

Mrs Thomson is taking some leave until the end of this term and so the Stephanie Alexander Kitchen Garden Program will take a break too. We have worked a special timetable of SAKGP classes this term to ensure the students have already completed the required number of kitchen and garden sessions. SAKGP will start again in week 2 of term 4. Students in grades 3 & 4 should bring their lunch each Tuesday for the remainder of the term. We wish Mrs Thomson an enjoyable break!

## KYNETON DAFFODIL FESTIVAL

The school traditionally participates in the Kyneton Daffodil Festival Grand Parade which will be held on **Sunday 10th September**. The theme this year is "Once Upon a Spring-time" and participants should "bring the enchantment of beloved fairy tales to life!". Please reserve the date. The parade only takes an hour or so and is a lovely way for our school to participate in a community event. More information will follow in later newsletters.

## THIS WEEK IN OUT OF SCHOOL HOURS CARE (OSHC)

Hey team!

Just a quick update on our STEM challenge from this week.

Our challenge this week was 'egg drop'! The students got into groups and had to make a shield for their egg. The aim of the activity was to not have the egg crack when dropped from the top of the cubby. We saw some awesome designs from all of the children! Thank you to everyone who participated this week, we can't wait to see what you'll create next week!

Have a great weekend everyone, see you next week!
