Principal's Message

Dear parents and carers

The excitement has been building all week and we can't wait until the concert this evening! It is sure to be a wonderful occasion. Students should arrive at 6:45pm for a 7pm start. They should wear the clothes required for their performance. The Mary Moloney Theatre is located on the Sacred Heart College site in Kyneton. You can enter through the back gate (via Begg Street) from 6:30pm and park on the basketball court, or enter from High Street. Audience members will be able to enter the auditorium from 6:45pm.

Please remember to bring gold coin donation for entry and some cash for raffle tickets! Many thanks for the donations that we have received for the raffle. The items are all beautifully packaged into hampers for our raffle prizes. The money raised at the door and through the raffle subsidises the buses for the rehearsal, and the choreography for the class dances.

Huge thanks to Mrs Redman for her tireless efforts planning and managing the concert. It is a massive job and she does it superbly.

The rest of the staff have supported her beautifully to create a top class production again this year. Thank you to the wonderful team of parents and carers who have created the stunning props and scenery for this year's concert. A special thank you to Alisha and Jeff for being our resident concert band. The final thank you goes to our talented performers. The students have worked hard and with huge enthusiasm. We will all see the results of their efforts tonight. The concert will be recorded and will be available for purchase in a week or two. We will let you know when it becomes available for orders.

I will see you at the concert, and I also hope you have a lovely weekend!

Regards

Lee MacDonald

STEPHANIE ALEXANDER KITCHEN GARDEN PROGRAM (SAKGP)

Mustard seeds, cumin, cardamon, garam masala, turmeric, ginger and garlic created a beautiful spicy smell in the kitchen this session. Grades 3 and 4 children made Vegetable Samosas and Oven-Baked Spring Rolls. This cook required lots of ingredients to be finely diced so there was lots of knife skill practice. We made the pastry for the samosas and shaped our creations into half-moons, baked them and ate them with soy and sweet chilli sauces. The Spring Rolls were also very tasty and very popular. Peeling the Spring Roll wrappers apart without ripping them was challenging but all groups achieved this and folded the ingredients into beautiful little parcels! We were also lucky to have Juliette, who is a past student, helping out. Thanks Juliette.

CELEBRATING 100 DAYS OF PREP

This week we celebrated 100 days of learning in Prep. Our Prep students had a wonderful time, coming to school dressed as children from 100 years ago and engaging in 100-themed activities to celebrate this milestone.

OUT OF HOURS SCHOOL CARE

Hello everyone! We have had another cracking week in OSHC this week!

Our STEM challenge was to make a structure out of marshmallows and dry spaghetti. We gave complete creative control to the kids and they produced some amazing pieces! Eliza and Peyton created a house-like design, Miles, Alfie and Ethan went for a spikey abstract design whilst Persy and Adeline wanted to recreate the Eiffel tower! Thank you to everyone who participated this week, we can't wait to see what you'll create next week!

Lydia, Peyton, Maddie, Gwen and Julian made some delicious truffles. It was messy work, but well worth it in the end.

George helped Hannah to do our OSHC book entry this week, so be sure to have a look next time you're in!

40-40 home base made a comeback this week and a big group of us played on Wednesday night, followed by a friendly game of elimination.

Alena, Julian and Maddy created a 'zip line' down from the slide. It looked so fun that even Ava had to give it a go!

Just a friendly reminder – please notify staff when you are collecting your child from the service so that we can be aware of who we have in the group at all times.

We hope you have a great weekend, good luck at the concert, we can't wait to see all of your hard work pay off!

Hannah ☺
