Principal's Message

Dear parents and carers

It has been a short week at school for students after a welcome mid term break. I hope that your family enjoyed the beautiful weather over the Melbourne Cup long weekend and had a chance to relax together. Teachers worked at school on Monday 6th November, on assessment and planning for 2024 and we all enjoyed our day off on Tuesday.

I will join our school captains and vice captains in Kyneton tomorrow morning for the RSL Remembrance Day commemoration. Two of our student leaders, Jed and Hugh, will participate in the ceremony by reading the names of local men who were killed at war. Quincy will join them as they lay a wreath on behalf of our school community. It is always a pleasure to join our students at public occasions such as this.

It will be a busy day for our school next Friday 17th November. This is the date set for the final day of our School Review. The panel will be hard at work at school, while our junior students will go on an excursion to the Melbourne Zoo. I am sure the junior students will have a wonderful day on their major excursion for the year.

We are currently reconciling accounts at school, ready for the end of the year. Please make any payments that are due as soon as possible. I encourage you to contact the office if there is difficulty with making the payments.

We have had a lovely week of spring weather and I hope it continues into next week.

Have a lovely weekend!
