Principal's Message

Dear parents and carers,

Tomorrow is a Curriculum Day, and Monday is a public holiday and this means that no students will attend school on either day. The timing of the Curriculum day is intentional, to allow families to add an extra day to their Labour Day long weekend. This has been the first week without a rest day for our Prep students and the two shorter weeks will further ease them into full time school.

The roster for helping at the school fair is slowly filling, but there are still many vacancies. It is very important that every family helps us on this very busy day. If you have not attended a Tylden fair before, you may not be aware just how busy the day can be! If your children are small, please recruit extended family and friends to come along and help, so your family can still contribute by working at one of the stalls for a shift during the day. The roster is in the area outside the office, but you can also email the school to offer your help, and we will add your name to the appropriate spot.

This week's newsletter has a raffle ticket book attached. We would like you to sell these to friends and family and encourage them to come to the fair on Saturday 23rd March. Please return the money and ticket stubs to the office prior to fair day. All raffle books must be accounted for prior to the draw. More raffle books are available

at the office. The prizes are amazing and we thank all of the businesses who have donated them.

Next week the grade 3 and 5 students will sit their NAPLAN tests. These tests provide a snapshot of student progress in literacy and numeracy. The students have been well prepared for the format of the tests by their teachers. NAPLAN tests should not be a cause for stress so please let your child's teacher know if your child is worried.

I have booked cyber-safety sessions for all classes, run by Dolly's Dream. The presenter will also run a parent session after school at 3:30pm if there is sufficient interest. Please complete the reply slip to indicate that you will attend. The session will give strategies to help keep children safe when they are interacting with others online.

The 2024 school council will meet for the first time on Tuesday night at 7pm.

Have a lovely long weekend!

STUDENTS OF THE WEEK

Pictured: L-R Back: Harper, Katie-Mae & Holly Front: Rosalie, Odessa & Roy

Grades 1/2 –SIMPLE MACHINES

The Grade 1/2 Team have been working hard in our Science unit. We have been learning about Simple Machines and the forces we need to use them.

To wrap up our unit, we made a lever out of rubber bands, paddle pop sticks and spoons. We then used these to catapult marshmallows into containers. The marshmallows may or may not have been consumed in this experiment.

STUDENTS OF THE WEEK

Harper– Well done on an amazing week! Your contributions during literacy have been very informative. Keep it up!

Katie Mae—For putting in a great effort and showing wonderful sportsmanship during interschool tee ball. Well done!

Odessa– For trying hard in maths. You are trying so hard to form your numbers. Well done! Keep up the great work.

Holly– For putting an amazing effort into your writing tasks this week. You always do your best and it can be seen in the quality of your work.

Rosalie—Well done on displaying the school value of personal best. You always give 100% in everything you do. Keep it up!

Roy– For working incredibly hard in writing. You have demonstrated your personal best! Keep it up Roy!

STEPHANIE ALEXANDER KITCHEN GARDEN PROGRAM

It was a very busy cook today. We made our own lasagna pasta and turned it into a very yummy Pumpkin, Silver beet & Ricotta Lasagna. As a special treat we used the pears from our school garden and made a pear tart. We served the tart with school grown strawberries!

Please let Tracey Thiele (0405 590 093) know if you can donate to the Produce stall, and bring along your produce and preserves on the day.

Mystery Jars

We ask each family to provide at least one mystery jar for the fair.

You need a clean jar, and can fill them with balloons, hair ties, small toys and stationery items, stickers, water bombs, crafts bits and pieces, non-perishable food treats, basically anything you know your children would love to find in a mystery jar.

Please ensure items are new and the recycled jars are nice and clean. They can be dropped off at the office at anytime.

FAIR WRISTBANDS

The rides are one of the big attractions at the Fair. With the purchase of a wristband, kids can enjoy the Rockwall, Chair-o-Plane, Reptile show, Super slide, Animal Farm, Meltdown, Jumping Castle and Camel Rides. Other kids attractions are priced separately.

Prices:

- \$30 wristband, purchased before the fair from the office, or on fair day.
- \$25 wristband for Tylden Primary School families with three or more siblings currently attending the school.
- Tickets for single rides will also be available, but a wristband is an economical choice!

Pre-purchased wristbands will be available for collection on fair day at the ticket booth.

Wristbands/tickets include all rides, Reptile show and Animal Farm. Other children's activities are priced separately.

Trash and Treasure and Book stall

Have you been collecting trash and treasure and second-hand books for the fair? The items need to be in a saleable condition, clean and in good working order. Small items of bric a brac, old wares, clothing and toys that are no longer being used would be good items to donate. Soft toys and clothing must be freshly washed and clean. We cannot accept furniture, electrical goods, children's bike helmets, car seats or prams as these items cannot be sold second hand.

Please note the following for all donations of trash, treasure and books:

- No inappropriate books or DVDs – please ensure content and ratings are suitable for children. You would be surprised by some of the things that have been donated in the past!
- No electrical items
- No bedding
- No furniture

Please keep collecting and we will let you know when items can be brought to school.
