

# Document Presentation Solutions

## System Two

### Electric SureBind® punch and finisher

For moderate-volume SureBind® jobs, this electric punch and bind system combines power with space efficiency. A pressure bar and adjustable paper alignment guide keep sheets securely in place as you bind documents up to 50mm or 500 sheets.

#### Added features

- Electric push-button operation
- Automatic reverse to prevent paper jams
- Ready light indicates when binding is complete
- Extra-large drawer for paper chips and pin debris
- Binds documents up to A4 in length
