## Certa is the all-in-one third-party lifecycle management toolkit

### Intake

**Eliminate the black box of procurement delays.**

- Request anything from onboarding a third party to initiating an RFP
- Guided dynamic flows to speed up processes
- A dashboard to give an overview of all activity

### Risk

**Risk management on autopilot.**

- Full spectrum risk coverage (InfoSec, Privacy, Finance, etc.)
- Ratings tailored to your business priorities and regulatory compliance
- Automated due diligence keeps up with your complex workflows

### Contract

**Streamline the contracting process.**

- Step-by-step wizard helps you build your own clause library
- Track milestones and open reviews for key deadlines, expirations, auto-renewals etc.
- Easy redlining

### ESG

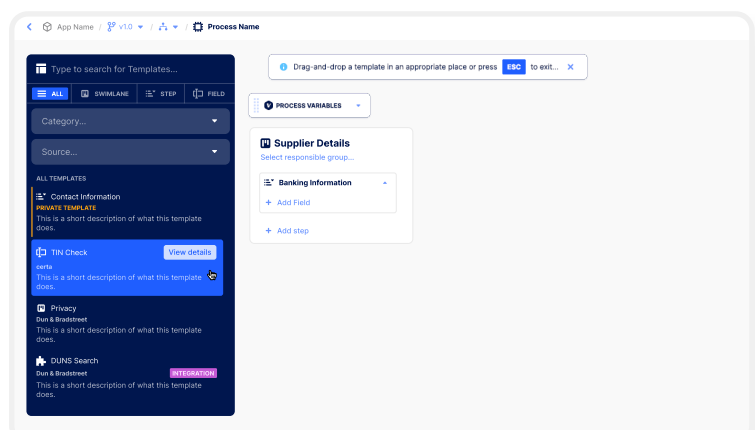

**Do good business together.**

- ESG disclosures and reporting with a variety of ready-to-use frameworks like GRI, TCFD and UN-SDG
- Effortlessly track your carbon footprint across Scope 1, 2, 3 of emission

## Why Certa?

### As much (or as little) help as you want

Go from 0 to 100%  
automation, or anywhere  
in-between. Certa's workflow  
automation tool speeds up  
third party onboarding.

### No coding required

We use a drag-and-drop  
approach to processes.  
Create your workflows from  
scratch or plug in our best-  
practice Modules without  
a line of code.

### Scaling with you

Start with the product you  
need and add more as your  
business scales.  
We grow as you grow.

## Certa Connect

With over 100+ native  
integrations, Certa  
Connect links to your  
existing ecosystem  
of apps and data.
