

# FABERGÉ X BRADLEY'S CHRISTMAS SNOWFLAKE EGG CHARM

Inspired by the magic of a traditional British Christmas, the Fabergé x Bradley's Christmas Snowflake Charm is a beautiful reminder of memories and special moments with family and friends.

This special egg charm represents the continued collaboration between the esteemed jewellery house Fabergé and Kay Bradley of Bradley's Jewellers York. It has delicate dimensions at 12mm in length, meaning it can be worn on a charm bracelet or as a pendant on a chain. The limited-edition Snowflake Egg Charm is available in 18k yellow, white and rose gold. It is decorated in a festive shade of red and adorned with golden snowflakes. To bring Bradley's design to life, Fabergé's team of expert Workmasters used an innovative technique, as a new way of applying decorative designs to 18k gold creations. This technique uses, UV light to cure the enamel and it is the first time that Fabergé have used this on a design.. The colour is produced with micro-fine ceramic particles

connected with a liquid polymer, resulting in a skin-safe, robust and fade-resistant colour that will last a lifetime. "The possibilities are endless with the colour palette which can be achieved via this innovative process, allowing for a beautiful spectrum of colours to be realised in core collections as well as bespoke creations. The desired colour is applied to the 18k gold surface by hand in thin layers, before undergoing a blue light curing process; this step is repeated until the desired effect is achieved. UV enamel is hardwearing and durable; the colours do not fade and are highly resistant to everyday wear"- Liisa Tallgren, Head of Design at Fabergé. For the perfect finishing touch, each Christmas Snowflake Egg Charm has a bail loop set with brilliant-cut diamonds in your

choice of 18k yellow, white or rose gold. This loop can be easily and securely affixed to your own charm bracelet or necklace, allowing you to reminisce on Christmas memories all year round. Just eight Fabergé x Bradley's Christmas Snowflake Egg Charms have been created. Please note that matching 18k gold bracelets and chain necklaces are sold separately. To pre-order your special piece, please contact the Bradley's Jewellers York team.
