

## Emergency Medical Services Nursing Award

### Description

This award recognizes a nurse who has made significant contributions to the education of EMS providers, colleagues, nursing students, patients, families, and or/the community through the continued support and education, formal and informal courses, or the development of EMS programs.

### Nomination Criteria

1. Nominee must be a current member of Illinois State Council ENA.
2. Nominator must be a current member of Illinois State Council ENA. Additional nominators are allowed, but not required, and are not required to be ENA members.
3. One narrative statement describing the nominee's contributions to the knowledge base of colleagues, EMS providers, patients, families, and or/the community. Additional narrative statements are allowed, but are not required. At least one narrative must be written by an Illinois State Council ENA member.
4. Nominee's curriculum vitae/resume. (This is highly recommended; however, if you are unable to obtain, please submit as much information about the nominee as possible.)

### Narrative Statements/Criteria

Narrative statements should not include the name of the nominee, place of employment, city/state. *Narrative statements should address each criterion listed below:*

1. A description of how the nominee:
  - a. demonstrates education competence as a mentor, preceptor, resource or instructor in programs for EMS providers and or, emergency nurses or other health care professionals in regards to EMS **OR**
  - b. developed educational programs, especially those that are innovative in nature for EMS personnel, patients and their families.
2. A summary of the specific situations where the nominee has demonstrated EMS nursing expertise through publications or significant educational projects.
3. A description of how the nominee has contributed to the development of EMS education, policy and professional development.
