

Conquest Planning is a rapidly growing company in the financial technology space. Our innovative tool empowers users by making it simple to improve their client's financial outcomes using our highly intuitive interface. Our Mission is to one day make great financial advice available to everyone and improve financial literacy around the world. We are based out of Winnipeg, Manitoba and have team members located across Canada, the United States, and United Kingdom.

We are seeking a **Software Developer & Senior Software Developer** to join our dynamic team! While we have physical office space available, we fully support remote work.

Either role will require that ideally you are local to Winnipeg, have experience in the Financial Services industry, and have had exposure to working within an agile environment.

As the ideal candidate, you will:

- Possess the proven ability to ramp up quickly on new technologies, languages, frameworks, and approaches.
- Have a natural curiosity towards learning and broadening your knowledge base.
- Manage and prioritize multiple projects and competing deadlines.
- Analyze and solve difficult problems.
- Communicate very well both verbally and in writing.

As a Senior Developer you will also:

- Be able to design complex systems and work on complicated tasks; frequently working in new territory for the application, with significant domain or technical knowledge.

Qualifications required:

- Bachelor's degree in computer science, engineering or similar, or proven work experience in a related position.
- Senior Software Developer, a minimum of 5 years of proven work experience in design, development, implementation, and application integration.

Experience with the following is an asset:

- C#, Typescript/Angular (or similar)
- Unit Testing/Automated E2E testing
- REST Services
- Visual Studio/VS Code
- Large, complex, and interconnected code bases

What to expect:

- An inclusive culture comprised of extremely talented individuals.
- A leadership team with a proven track record of success.
- The opportunity to join a company as it expands across the globe.
- Competitive compensation and generous benefits.

How to Apply:

We're excited to learn about you. In addition to your Resume, send us a personalized Cover Letter, Email or Video stating:

- Why you are interested in this job, the fintech industry, or any other reason you would like to work with us.

Next steps:

If this exciting opportunity is of interest to you, please forward your application as described above with **Software Developer** or **Senior Software Developer** in the subject line to human.resources@conquestplanning.com.

We thank all applicants for their interest. Only those invited for an interview will be contacted.

Conquest Planning Inc. is an equal opportunity employer. Our inclusive work environment welcomes diversity and supports accessibility. If you require accommodation at any time during the recruitment process, please contact human.resources@conquestplanning.com.
