

THE ALPS VENUE

The great wine regions of the old world form a formidable ring around the European Alps. This is where you will find the great vineyards of Burgundy, Alto Adige, Jura, Piedmont, Savoie and the Veneto just to name a few. We have over 400 different wines to drink at our bar (or to take away), and there are always 20 wines available by the glass, as well as beers on tap and tins alongside some hearty alpine snacks! Keep climbing!

We look forward to seeing you at **THE ALPS** soon.
