

**ROSTEN HOMES**

## Ready To Build Your Dream Home?

We specialize in creating a home for your family. Our values help us determine our goals and how we choose to operate to deliver the highest quality service. We get premium results by working with the best contractors to build your dream home. Rosten Homes believes that a custom home is truly a custom home. The client gets to make their product selections, and Rosten Homes will work to install their selections and build per the client's design.

**“We have already recommended Rosten Homes to friends and family.”**

We have already recommended Rosten Homes to friends and family and will continue to do so! We get asked quite often who built our house, and we are always proud to tell them who did!

Tyler & Brittany Jenkins  
Morris, OK

**“We are beyond satisfied with the outcome of our home.”**

We are beyond satisfied with the outcome of our home. We couldn't dream of anything better. There are so many features in our home that are standard for Rosten Homes, and it truly makes a huge difference in quality. We love our home.

Andrea Smith  
Owasso, OK

**“It was exactly what we were wanting.”**

The communication from Rosten homes was wonderful, quick, clear, and concise. The sales team and Rosten were constantly in contact with us. I loved being able to go and truly customize exactly what I wanted in a house. We've bragged constantly about the job Rosten Homes has done. I would recommend Rosten Homes to any family or friends looking to build because our experience was so awesome!

Lance & Kristina  
Bixby, OK

## Award Winning Standards

Rosten Homes' quality of home and attention to detail was recognized in 2021 by the Tulsa HBA. In the 2021 Parade of Homes, Rosten Homes won Best Curb Appeal and won 2nd Place Overall in the \$400,000 to \$450,000 category. Rosten Homes proudly serves families in the Greater Tulsa area, with projects completed to date ranging in size from 1,800 Sf to 3,500 Sf.

## Creative Edge Cabinetry

From design to professional installation, we have the edge compared to imitation cabinetry which isn't truly custom. Our cabinets are built to last. Prioritizing quality materials and components over cost savings, we know that the lowest cost upfront isn't necessarily the least expensive ownership experience.
