

MIFTAAH TALENT

Kids Edition

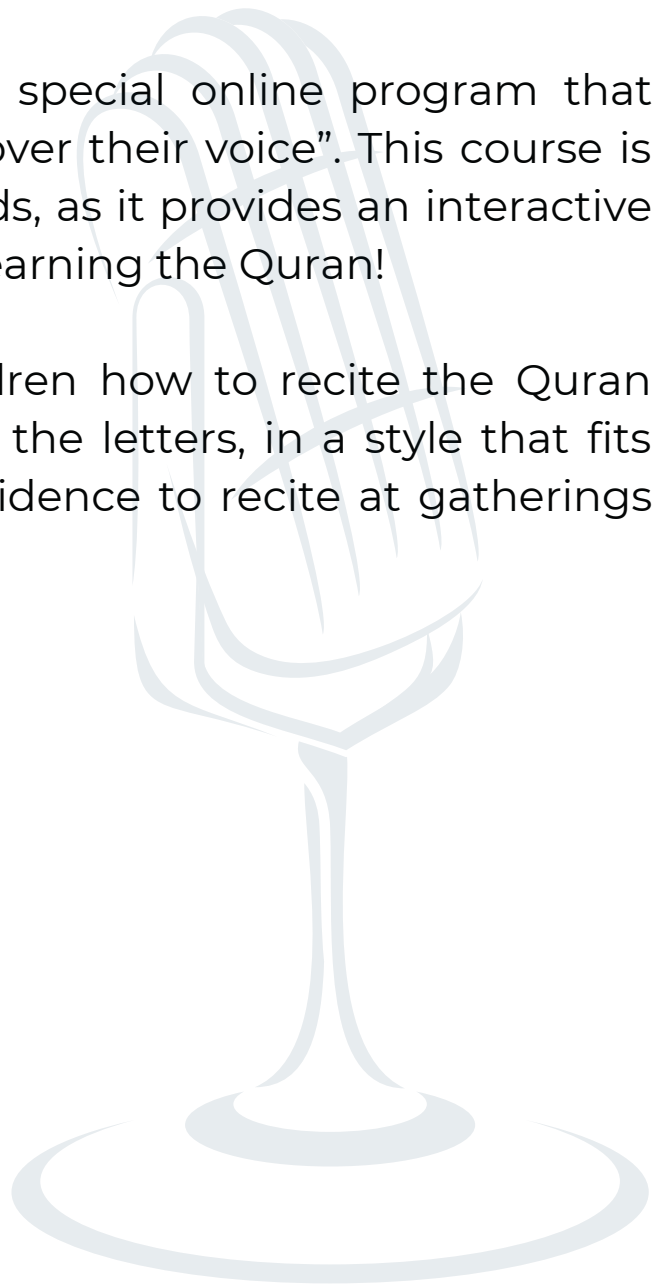

PROGRAM CATALOG

Every parent prays the best for their child both in this life and the next. Indeed, the best thing that parents can offer to their children is to teach them the Book of Allah SWT.

In 2020, Miftaah launched a special online program that would allow children to “discover their voice”. This course is specially designed towards kids, as it provides an interactive and exciting atmosphere for learning the Quran!

This program will teach children how to recite the Quran with perfect pronunciation of the letters, in a style that fits their voice, and with the confidence to recite at gatherings and events.

2023 - 2024
**PROGRAM
OUTLINE**

SEMESTERS

FALL-WINTER-SUMMER

The Miftaah Talent Program is structured according to the convenience of young kids' schedules so that learning the Quran is accessible and convenient. Online classes are offered weekly on Saturday and Sunday and, therefore allows for activities to be easily adjusted according to their weekly routine.

Classes are offered year-round in three separate semesters in the Fall, Winter, and Summer. Throughout the year, students ages 5 to 12 have the opportunity to learn the Quran from the comfort of their homes.

LEVELS

BEGINNER-INTERMEDIATE-ADVANCED

This course is specially tailored to suit the needs and levels of nearly all kids. The classes have been designed to start the journey for kids who don't have any prior Quran education and build their confidence and recitation.

The program provides three distinct levels for Beginners, Intermediate, and Advanced. Each student is placed into a corresponding group where they interact with other kids at their level and pace. Students will be assessed at the end of the semester by doing an evaluation session with their instructor to determine their passing of the level.

CURRICULUM

SURAHS-HADITHS-DUAS

All the exercises in our levels are carefully chosen and reviewed so as to ease the learning process. Students will cover a select number of Ayahs, Hadiths, Duas, Stories of Companions, and Fiqh Rulings as they advance in the program.

As the student continues in the program, they will have compiled a balanced foundation in recitation/Tajweed and Islamic knowledge. Under the guidance of our talented instructors, our young students will learn how to recite Quran beautifully while applying Tajweed rules.

OBJECTIVES

CONFIDENCE-VOICE-TAJWEED

This course was designed by our Miftaah scholars to help children build their confidence while reciting the Quran. The course will teach them how to master the recitation of specific Surahs, which will serve as a foundation for their ability to recite the entire Quran properly. The instructors will not only be focusing on Tajweed but will also be working on their style of recitation.

GRADUATION OUTLINE

TWO YEAR TRACK

One of the main factors that distinguish our program is its graduation requirements. To complete the program and graduate, students must receive a passing score for each level. To complete a level, it takes two semesters. Thus, to complete the Miftaah Talent program, the student will complete six semesters.

A total of 6 semesters are needed to qualify for the Miftaah Talent certificate. Students are required to pass each level twice before moving on to the next level. Students that enroll in the Intermediate Level will be required to complete 4 semesters only.

LIVE ONLINE LEARNING

Miftaah Institute's online Talent Program has been developed and structured for success in learning the proper way to recite the Quran. With live instructors, you will improve your Quran recitation, voice, and Tajweed within just the first semester of the program.

Sessions are held twice a week on Saturday and Sunday in groups. The small class sizes, of less than 12 students, allow the instructors to focus and connect with each student individually.

Enrollment for the upcoming semester is available at miftaah.org/kids.
