NUMBERS & STATISTICS

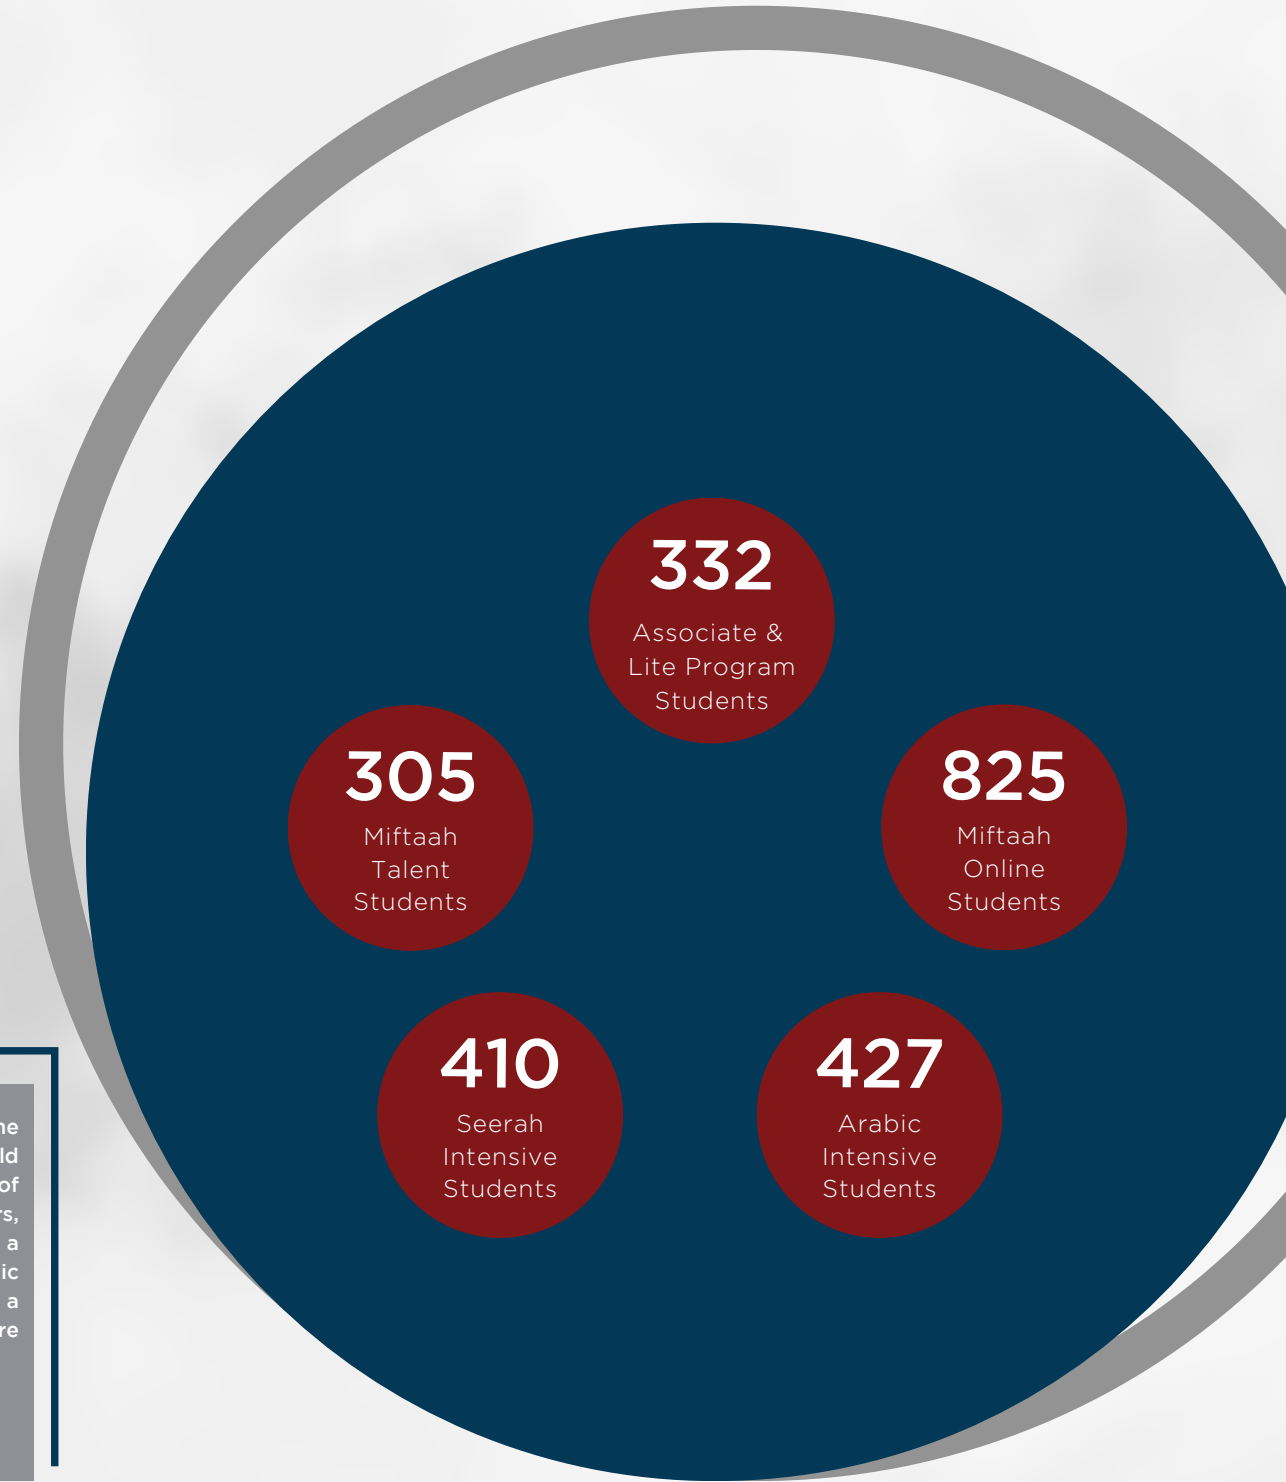

As the world emerged from a reclusive and solitary year, many Muslims sought out the comfort and company of in-person programs, while still having the option of online accommodations. With the need for more onsite and online programs, Miftaah's Seminary increased enrollment by 44% in 2021.

“ Alhamdulillah, the program has a really great structure. Especially for Arabic classes, never thought it would be so easy to understand. The classes were well organized so that anyone could learn Arabic. Apart from that the quizzes and drills gives us the chance to test our knowledge/understanding. All the instructors are well qualified and really have a lot of patience in dealing with the classes in tough times like these.

-Shahzan Iqbal
Miftaah Online Student

“ The Arabic intensive was truly a great platform where one could lay a foundation in the Arabic language that would propel an individual for lifelong learning of the language of the Quran. As a professional, the pace, material, instructors, teaching assistants, and the entire Miftaah team performed a monumental task in an environment that combined dynamic learning in a fun-filled family environment that will have a tremendous impact not only in the short term but for future generations to come.

My child really enjoys the Miftaah Kids Talent program. I have noticed a great improvement in her recitation and she is no longer shy to recite in front of others. The program has given her confidence and a good start to beautiful recitation.

Shaykh Abdullah Waheed did a fantastic job capturing the moments and presenting it in an informative and fun way to his audiences. I attended this program with my 9 year old son who enjoyed his time tremendously. I would definitely recommend this program for anyone who wants to grow in their faith by learning about our Prophet ﷺ."
