NUMBERS & STATISTICS

2020 has been a challenging year for a lot of our students and community members. Yet, Miftaah was dedicated to providing you with a platform for learning traditional Islamic knowledge, even from the safety of your home. To make this a reality, we launched several new programs, exclusively for you.

“

“This has been an amazing spiritual journey for all of us. The compassion, devotion and dedication the Miftaah team displays are unexplainable. They teach with a passion that is transmitted in their teaching style. The teachers take the topics and relate it to our everyday life. I have learned more in these past 2 semesters than I have learned going to Arabic school my entire childhood.

Miftaah summer was an excellent experience. The teachers are enthusiastic and approachable. The course is organized very well. Great program for part time learning for those with work or school.

MIFTAAH FOR YOU AND YOUR FAMILY

TALENT: FOR KIDS

In 2020, Miftaah decided to launch a special program that would allow your children to “discover their voice”. Through this program, they are taught how to recite the Quran with perfect pronunciation of the letters, in a style that fits their voice, and it gave them confidence to recite at gatherings and events.

SUMMER ARABIC INTENSIVE

In 2020, Miftaah introduced its first annual Online Arabic Intensive, a four day program which covered an introduction to Arabic through the lens of the Holy Qur'an. In this intensive, Miftaah covered the fundamental rules of Arabic Grammar (Nahw) and Arabic Morphology (Sarf) in 10 lessons.

Introduction to Nahw

- Nahw is that science which teaches us how to join two words together correctly with the right *lارااب* (Harakah). In simpler words, Nahw is Arabic Grammar.
- The word itself means *corner*.
- Why is it important to learn?

“

We are so incredibly appreciative that Miftaah has given us this opportunity. The instructor is patient and kind with the children but also has expectations (which is great). My son looks forward to attending his classes each week and his recitation has greatly improved. He now has such confidence. This course has definitely been worth every penny!

- Sumayyah Jameson
Miftaah Talent Parent

“

My child really enjoys the Miftaah Kids Talent program. I have noticed a great improvement in her recitation and she is no longer shy to recite in front of others. The program has given her confidence and a good start to beautiful recitation.

Al- Tirmidhi

On the Miftaah Online Program:

"This first experience taking Miftaah online classes was amazing. I looked forward to attending my classes every week. There is so much spiritual growth that comes from listening to our scholars." - Shereen Husain

On the Summer Arabic Intensive:

"Both teachers are extremely knowledgeable, likeable, and helpful individuals. They made sarf and nahw fun and somewhat easy to understand. Overall I really enjoyed and benefitted from this intensive." - Hadiqa Jahangir

On the Winter Seerah Intensive:

"Shaykh Abdullah Waheed did a fantastic job capturing the moments and presenting it in an informative and fun way to his audiences. I attended this program with my 9 year old son who enjoyed his time tremendously. He learnt a lot and had a fun time making new friends and doing activities at the Seerah Kids Club. I would definitely recommend this program for anyone who wants to grow in their faith by learning about our Prophet ﷺ." - Hafsa Rahman

On the Winter Seerah Intensive:

"The Winter Seerah Intensive this year was probably hands down my best experience of 2020. Despite being online, I felt welcome by all the instructors. I was deeply engaged for the whole 7 hours everyday for a week. The Seerah is naturally beautiful, but Shaykh Abdullah only made it better by connecting the events of the Seerah to our lives." - Bassem Warsi

On the Miftaah Talent Program:

"My daughters absolutely love the program! The teacher is firm and encouraging yet is very personable and helpful with the children at whatever level they are at. I'm so grateful to him and Miftaah for this program." - Cassidy and Casey Cheatham

On the Miftaah Online Program:

"My experience with Miftaah has been Awesome! I first heard about Miftaah from my Friends and Family, and the first ever Miftaah program I ever attended was Seerah Intensive 2018. Alhamdulillah this semester we had so many awesome topics but if I had to choose one I would say the Tafseer of Surah Waqiah was my favorite." - Mujtaba Ahsan

On the Miftaah Online Program:

Miftaah summer was an excellent experience. - Sameer Alvi

On the Winter Seerah Intensive:

"Honestly it was a life changing experience! It strengthened my love for the Prophet ﷺ and really gave me insight to what his personality was like. I was able to gain a true love and passion for the companions and wives of the Prophet ﷺ." - Manal A.

On the Miftaah Lite Program:

"I walked out of every class motivated and inspired alhumdulilah." -Saad Ahmed Farooqui

On the Winter Seerah Intensive:

"The Seerah Intensive was really a unique experience for me as I never had the opportunity to learn like this about our beloved Prophet ﷺ. This program really helped me not only understand our Islamic history but also fall in genuine love with the greatest person to ever live. I left with a renewed faith and longing to learn more about our prophet ﷺ and the deen." - Hafsa Rahman

On the Miftaah Talent Program:

"We are so incredibly appreciative that Miftaah has given us this opportunity. Our community does not have any programs for children at all, so my son has never participated in any Islamic classes other than what I can teach him. The instructor is patient and kind with the children but also has expectations (which is great). My son looks forward to attending his classes each week and his recitation has greatly improved. He now has confidence in his recitation." - Sumayyah Jameson

On the Miftaah Lite Program:

"My experience at Miftaah Lite far exceeded my expectations. My favorite part of the class was the teachers' passion and love for Allah. I loved the topics and how we were taught connections between each subject. The instructors made me want to be better without shame or negativity. I left class each week feeling spiritually invigorated." - Minnah Arshad

On the Miftaah Online Program:

"One of the best decisions I made was to sign up with the Miftaah Summer Semester. With the enormously hectic routine at the hospital in the COVID19 era, the impeccably designed course allowed me to learn and engage with the task at hand at my own pace. Although every aspect was worth it, the talks on Sha'mail and Tafseer of Surah Waqiah were a source of much self reflection and learning. I got to learn so much from such excellent teachers." - Ahad Qayyum

On the Winter Seerah Intensive:

"The seerah intensive has been an extraordinary experience alhamdulillah. For a long time I've searched for the right seerah course, and this has certainly reached my expectations Alhamdulillah. - Khadija Khalil

On the Winter Seerah Intensive:

"I couldn't have asked for a better way to spend my winter break! Through the Seerah Intensive, I was able to feel a closeness to the Prophet ﷺ that I have never felt before. The connections the Shaykh made between the life of the Prophet ﷺ and our own established a sense of serenity and peacefulness in me and made my love for him ﷺ grow even more." - Zainab U.
