OTHER FINISH OPTIONS

CUSTOM KYNAR
POWDER COATED
ANODIZED

SkyScape architectural colors and finishes feature 70% polyvinylidene fluoride (PVDF) resin paint systems to ensure long-term color retention and performance. Custom colors and finishes are also available. Minimum quantities and set up charges may apply.

Colors shown are as close to actual colors as allowed by the printing process. Actual metal samples are available.

Colors may appear different when viewed at different angles and under different lighting conditions.

Designer colors feature a pearlescent mica finish; subject to premium pricing.

All Standard colors are ENERGY STAR® approved, except Hartford Green. Bone White and Regal White colors are LEED® compliant for low slope.

Due to product improvements, changes and other factors, we reserve the right to change or delete information herein without prior notice.
