## JOIN US

Set amongst the stunning Norwegian fjords, this training of trainers will afford the opportunity to deep dive into storytelling methodology, how to design, develop and collect stories and outcomes in a participatory setting, how to analyze qualitative and quantitative data more effectively in line with your theory of change/strategic plan, and improve impact reporting for your organization.

Facilitator: Alexandra Pittman, PhD

Cost: \$4000 shared room, \$6000 own room.  
All meals, transport to and from airport and excursions included (excluding airfare)

Email: [alex@impactmapper.com](mailto:alex@impactmapper.com) for more details
