35,000*

persons

estimated to have a
disability in Malta

*circa 25,000 officially registered with
Commission for the Rights of Persons with a Disability

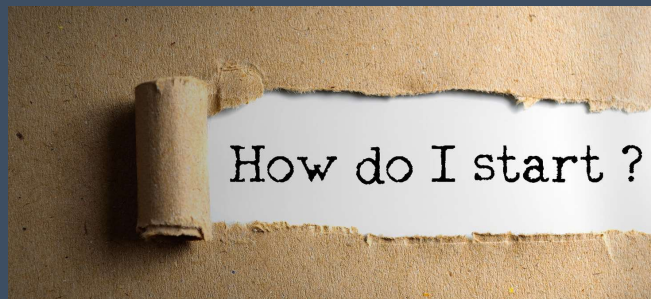

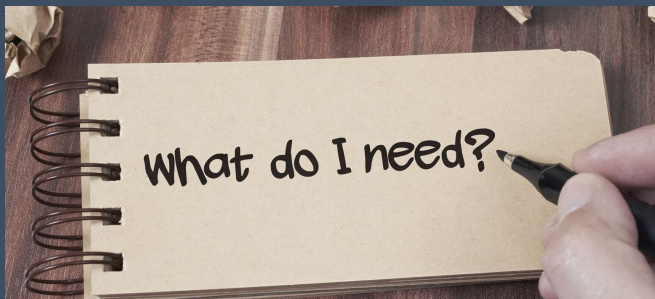

New Disability in the Family?

This is often a time of
uncertainty,
and even,
despair.

The most common question in these situations is:

“Where do I start?”

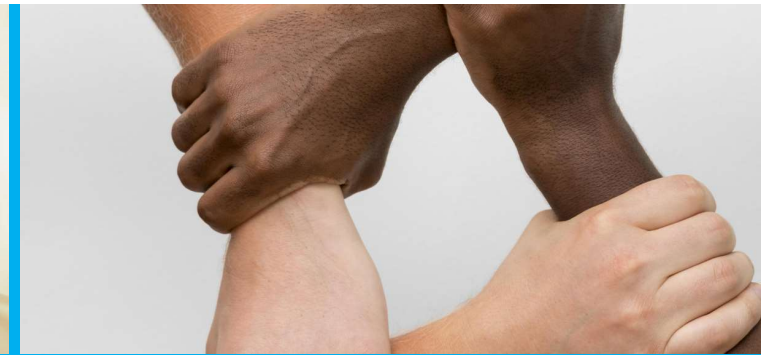

This is where Inspire comes in

PATHFINDER

will provide a clear and visible gateway that will connect people to effective information, navigation, intervention, and support.

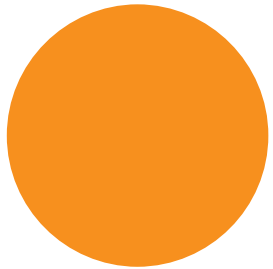

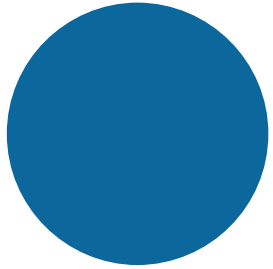

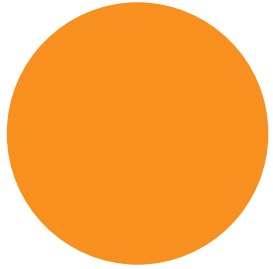

We aim to be able to support in the region of

520

INDIVIDUALS

and their families each year with this new service.

The cost of this
service will amount
to

€145,000

per annum

Will **YOU** help us

make this
innovative
service a **reality**?

THANK
YOU
