

## 5 Prayers for Life

1. Pray for FAMILIES: Pray that God will protect the unborn, give courage to their mothers as they face a pregnancy challenge and strengthen fathers as leaders, in a culture that regards life and relationships as disposable.
2. Pray for CHRISTIANS: Pray for the Church community to become passionate about life and exemplify Christ to those with unplanned pregnancy or past abortion, by responding with grace, love, and truth.
3. Pray for FRONTLINE WORKERS: Pray that God would strengthen all who offer alternatives to abortion – pregnancy care centers, maternity homes, healing ministries, sidewalk counselors, etc.
4. Pray for the POST ABORTIVE: Pray that all who have participated in abortions will to come to know the love, healing and forgiveness of Jesus.
5. Pray for the NATION AND LEADERS: Pray for our nation to embrace God and life. Pray for our elected leaders to stand strong in the face of great opposition.
