ZACH

Zachary Otte 👋

Thoughtful design for purpose driven people & places

Professional Experience

2023 - 2024

Product Design Lead @ SpiderOak Inc.

Lead design team to research, design, and deliver suite of satellite network management tools for major aerospace industry clients.

2018 - 2023

UX/UI Designer @ SpiderOak Inc.

Designed and shipped enterprise collaboration products; from user flows to high fidelity designs. Built and maintained design systems to improve consistency and scalability.

2017 - 2018

Content Designer @ SpiderOak Inc.

Refreshed and evolved company branding design—setting product/brand illustration style

2014 - 2017

Senior Web Designer @ Metro Transit St. Louis

Designed and collaborated with devs to launch new mobile-friendly public transit website. Conducted user research to identify and design rider-centered web features.

2014 - 2017

Associate Designer @ Metro Transit St. Louis

Designed and illustrated compelling rider education and marketing content. Refreshed rider signage design system, including new system map design.
