

Reimagining Physician Compensation

- Is your physician compensation model aligned with your mission statement?
- Is your physician compensation model financially sustainable?
- Is your physician compensation model contributing to burnout?

If the answers to these questions bring more questions, **it may be time to reimagine your physician compensation model.**

Your voyage to a Strategy-Aligned Compensation Model

- 1 Recognize how you make and spend money
- 2 Establish key principles aligned with strategy
- 3 Understand risk vs. reward
- 4 Build trust through shadowing
- 5 Create transparency through physician compensation scorecards

Phase 1 timeline: 3-6 months

Full implementation: up to
9-12 months
