HAYATI MEDITERRANEAN

It's been three weeks since our launch of HayatiMediterranean.com. Owners Ali and Mohammed have glowed about their partnership with #TUF, and have reported a noticeable increase in new customers and phone orders.

"You and The Underdog Foundation are truly amazing at what you guys do. Me and my brother will always and forever be grateful for everything that you have done to support our business."

YOGA AT CURTIS PARK

Hosted By Teresa "Mama T" Gebhardt

Our first Volunteer Appreciation day was held on August 6th with a free yoga class at Curtis Park. We stretched and flowed with all of our fellow volunteers, followed by a pizza party! Check out the full photo gallery from the event on our website.

HIRSHORN PARK VOLUNTEER DAY

On **August 16th from 12:30-2:30 PM** the city of Denver will be providing our team multiple supplies to help give Hirshorn Park some much needed TLC. We will be re-painting the play structures and basketball court, sweeping the dugouts and sidewalk, and performing trash removal.

WASH PARK COMMUNITY KITCHEN

We are working with a private investment group to turn the vacant church on Pearl Street in Wash Park into a Community Center with a weekly "meals on wheels" program.

Stay tuned for updates on this exciting initiative!

THE GATHERING PLACE
