#TUF SWAG DAY

March 20, 2021 was **TUF's 1st Swag Day!** We were overwhelmed with support from all across the country:

- 26 individuals
- 7 states (Colorado, Texas, NY, Michigan, Illinois, Indiana and California)
- 4 dogs (the only stat that matters :p)
- 1 amazing day to remember and celebrate with you all

Eric Elmore was the lucky winner of our \$50 gift card to use at one of TUF's partner restaurants. If you are interested in expanding your TUF closet with our limited edition merchandise please reach out to us directly!

ONE HAND WASHES THE OTHER... FEATURING GENNA RAE'S WINGS

When our VP Derrick reached out to Genn Dickerson from **Genna Rae's Wings** to let him know that he couldn't make a meeting due to car trouble, he never anticipated what would happen next.

Genn used to be an auto-mechanic and remains extremely well connected in the industry. Within seconds, Genn had hung up on Derrick and was on the line with his friend Larry at **Courtesy Auto Services**, located across the street from **Welton Street Cafe**. Larry took the car in the next day and had our VP back on the road immediately. This is what **TUF** is all about: people helping people, the community coming together to support one another, and going from strangers to family. A huge thank you to Genn and Larry!
