TUF FALL BALL 2022 WAS A HIT

Our second annual Fall Ball was an absolute movie. THANK YOU to the nearly **200 guests** that

came out to the stunning History of Colorado Center to dance the night away with us.

This year we raised just under **\$25,000** for locally owned small businesses and had a darn good time doing it! In our two years as an organization, we've launched **16 small business** websites, generated tens of thousands of dollars for the community, and have a financial impact across our partners estimated at well over **\$100,000**.

Special thank you to our Events Queen, Clara Balestrieri, for putting together an absolutely epic evening! We would also like to thank our special guests for the night, LC's Latin Jazz Band, DJ Dill, and DJ Willie Weis and our Keynote Speaker Jevon Taylor from [Green Spaces Denver](#).

Join our team for the opportunity to meet new people and have fun, while doing good for the Denver community!
