SHOTGUN START

Start with your designated bar at 6 p.m. Plan to visit all of Senoia's fine establishments.

Allow 15 minutes for each place. Follow your Leader.

Move clockwise to each restaurant- ending at Curious Kitchen promptly @ 9PM for poker run.

PLEASE REMEMBER TO TIP YOUR SERVERS!

To all Pub Crawler aficionados:

To spread out the crowd and not overwhelm the staff, we need a shotgun start at different restaurants. When you pick up your t-shirts, we will group you in batches of 5 to 7 and give you a starting destination. No, we will not break up couples, and we recommend you try and meet someone new. A Pub Crawl is a great way to make new friends. On to the next bar! Please maintain a clockwise rotation per the map on the other side of this page to keep you from colliding with the other revelers.

Please remember to tip your server!

The bars will hand out Mardi Gras beads with the drink specials. You may cash in the beads for playing cards at the poker run. Set your alarm to return to Curious Kitchen at 9 p.m. We will line up 10 REVELERS at a time along the long tables and deal out five cards face up.

We are Poker Purists. That means no wild cards, five card stud, and for speed, hole card up. Ten players at a time. The best hand wins the round. For example, with 50 players, that will be 5 rounds and only one round per contestant.

The winner of that round will take a seat alongside the coveted Senoia Pub Crawl Trophy! If the best hand of the next round is better, the new player takes the seat.
