LENT PROJECT

Today there will be a second collection at all Masses to help to furnish the chapel at the Catholic Institute of Business and Technology at Accra, Ghana.

This is a great way of supporting educational opportunity, strengthening the Church's mission, and fostering the right worship of God. We should all want to give generously.

Here is a message from Dr Emea Amoako, Executive Director of Institutional Development, who is well known to Fr Richard & Fr Daniel:

"The Catholic Institute of Business and Technology [CIBT] is a relatively new university college, and its chapel, Our Lady Seat of Wisdom needs some work and items to enable CIBT to achieve its aim of providing a holistic education including forming of character and inspiring vocations.

The Chapel, in other words, the Faith is the pivot of CIBT as a higher educational institution. It is what sets it apart from other higher educational institutions. It's its Unique Selling Point. I can't thank you enough. History will always remember you and the York Oratory for this gesture!"
