## SOME OPPORTUNITIES TO GIVE:

### A NEW ORGAN FOR ST JOSEPH'S

We have acquired a small pipe organ, perfect for St Joseph's, to replace the rather tired and unreliable electronic organ currently there. The organ is free, but there are costs in moving and reinstalling the instrument. The full cost is £4,231, a fraction of the cost of a new instrument. 26% of this has already been raised. Please consider donating to this opportunity to secure the future of music at St Joseph's;

and here is yet another QR code:
