THE DEFENCE OF UNBORN CHILDREN

The amendment to the Criminal Justice Bill, currently before Parliament, is a direct attack on the dignity of the unborn. If passed, it will have unforeseen consequences which could be very serious for both unborn babies and their mothers, especially given the increase in home abortions following the legalisation of the provision of abortion pills by post. Please do write to your Member of Parliament to express your grave concern, and pray for the defence of unborn children and their mothers.
