# CHRISTMAS THEMES

Christmas is that magical time of the year when families and friends come together, relax and ultimately want to have fun!

At Events by Knight, we believe that Christmas really is the time for that special celebration and we have created a selection of Christmas themed events that have been carefully formed and which would be produced to the highest standard ensuring that you and your guests are transported into a magical Christmas themed event.

We are able to create a bespoke Christmas party event for our clients and can take care of every element from the very beginning of the creative process.

We can source the perfect venue, design the theme, décor, catering, acts and entertainment. Whether you wish for a beautiful winter wonderland, or a crazy Christmas circus, here at Events by Knight we can bring your vision to life.

## 01

*Winter Wonderland*

A winter wonderland Christmas theme is a sure way to encompass the real magical feeling of Christmas.

Imagine walking into your venue and seeing snow clad pine trees, crackling fires in log cabins along with some reindeers, all presented in a beautiful white, silver and ice blue decorated space.

The party will be brought to life with snow queen hosts and the sights, smells and sounds of Christmas along with some gorgeous ambient lighting which will mesmerise your guests and you will all think that you have been transported to your very own Lapland. An unforgettable Christmas party for sure!

## 02

## MASQUERADE

The mystery and magic that a Christmas masquerade ball brings originates from the renaissance era.

Therefore, your venue could be decorated with 16th century inspired creativity and your guests could all be asked to dress accordingly with period masks that would really bring the theme to life.

However, should your guests choose not to wear fancy dress, our events team will ensure that the transformation of the venue will make your guests feel every much part of this amazing Christmas party.

## 03

## CIRCUS

Now who doesn't love a circus? The magic of a great show with all the great acts a circus brings, is a fantastic way to celebrate a Christmas party.

Your guests would arrive in the 'big top' and greeted by a variety of acts such as fire artistes, jugglers and street performers. There would be an arena for your guests to enter where the circus decoration would be simply stunning and authentic with the drapes, lighting and props.

A circus ringmaster would host the event and introduce the evening of spectacular entertainment. You, as the client, can choose from many different acts to perform to your guests - we will tailor the event to your exact needs. You may wish for aerial acrobatics, contortionists or even a full fire show to complete your breath taking Christmas circus themed party.

04

## Viva Las Vegas

This Viva Las Vegas themed Christmas party will bring an abundance of glitz and glamour to your tailored event.

At Events by Knight, we would transform your whole event space so that your guests would feel as if they are in Las Vegas, surrounded by the games that Vegas brings.

We would have showgirls, illusionists and other performers greeting your guests and then you could choose what activities you wish to have on offer for you and your guests.

You can have Roulette, Blackjack, Poker, Craps or even the Wheel of Fortune; you choose what activities you want in your Christmas themed casino. Your guests will not want to leave as they really will feel as if they are in city that never sleeps!

## THE GREAT GATSBY

This is always a great theme to bring to life. A Christmas Great Gatsby themed event is an amazing way to celebrate with your guests.

The art deco design of the themed decoration will be sure to stun and wow your guests as they are transformed back to the roaring 20s. The glamour and lavishness of this event is second to none and really is a party that with the inspired props and soft mood lighting, is sure give everyone a unique experience.

We would have your guests arrive via a full red carpet that would be lined with paparazzi, as they enter the celebrity filled club. As always, Events by Knight, will listen to your vision and create the event accordingly.

06

## NEW YORK

The key to a New York Christmas Party is transform your event space to encompass the stunning New York skyline. A backdrop of night lit twinkling skyscrapers would decorate the walls to ensure that your guests really feel as if they are partying in the Big Apple.

Various props of great New York statues and landmarks are really what will bring this theme to life as well as yellow taxis, subway signs and baseball references.

Your guests will arrive to a fun-filled room that will be sure to have them dancing the night away to New York New York by the end of the evening!
