

Tell Me All About...STUDIO KIDS

We are a Management Talent Listing Company for children. We have been interviewed by the BBC Radio and on "ET-Entertainment Tonight" for excellent casting and complimented for the great work and outstanding children within our company that are featured on many feature films and television projects. Basically, we help manage children from the ages 15 days old up to 18 years old in non-speaking, background or atmosphere work also known as 'Minor Extra's'.

Many production companies call SKM regarding children for various television shows, feature films, commercials, music videos and some print-work. SKM helps guide you appropriately for your new adventure in the entertainment industry with you and your family. And help protect your family standards and values in future projects that may come your way. SKM has been in operation for over 24 years by Lisa Santillan, a Christian mother of five (5) children, including a set of twin boys of her own.

WHAT DOES IT TAKE TO BECOME AN EXTRA?

A great attitude and an eagerness to want to learn about the entertainment industry. Since there is no speaking involved - NO classes are needed. You would need a great picture of the child, like a current snapshot from your own camera or from other sources and you will need a current Entertainment Work Permit. An "Extra" can be anyone! We are always looking for all different types of kids. When working as an "Extra" we need all ethnicities, shapes, ages, sizes, and unique character looking kids. Sometimes we will need Mom & Dad's too!

TWINS, TRIPLETS AND QUADRUPLETS!

Yes, we also specialize in multiples. We have represented a lot of multiples on many amazing projects. Heard of...Cheaper by the Dozen, Joshua Tree, This is Us, Scandal, Annabelle, Parenthood, Shameless, Dexter, Friends, Scrubs, Desperate Housewives, ER, and much more show but those babies came from SKM. Since Lisa, the owner has twins she has a tender approach when working with the most fragile babies and kids. Studios love multiples because of the "hour" issue. Identical twins, triplets and quadruplets are all welcomed.

LET'S TALK ABOUT SCHOOL AS AN EXTRA-

Your child will be educated on every set when hired. It is mandatory by law to have all school-aged children in school during a calendar school year. A licensed state certified School Teacher will be hired by the production company who hires your child to have on set. They will ask each child to bring their appropriate schoolwork with them to set. Except for summertime and holidays.

HOW MUCH WILL I MAKE AS AN EXTRA?

When a production company hires a non-union & union minor as an Extra they will pay them \$187.00 minimum for each day they work. If a minor works on a Union background commercial as an Extra they will pay \$427.30 minimum per day. As an Extra they can be hired by production to be a Photo Double (\$219.00 day) or Stand-In, since there is no speaking involved. Twins are about \$500.00-1000.00 each. At the discretion of some Directors extras can be upgraded on any project they wish and those kids get paid \$1033.00 for speaking one word. If you are requested to go to a Wardrobe Fitting rate is \$46.75/2 hours. All rates are never negotiated by Studio Kids.
