The Loren Roots Initiative is a reforestation non-profit created to help us give back to the world more than we take from it.  
We'll achieve this by acquiring over 50,000 biodiverse acres and planting 10 million hardwood trees consuming over ten times the carbon dioxide we produce.  
A **voluntary 2% contribution** will be added to your bill - a small amount towards helping make a very big difference.

All prices are subject to 17% Gratuities
