

## IMPORTANT TO NOTE\*

\*Measuring your fence correctly is the most vital step to ensure you can determine the right quantity of materials for the job. This will save you time and money when it comes to installing your new fence.

A large grid of 30 columns and 30 rows, intended for planning fence measurements. The grid is composed of thin green lines on a white background.

**NOTE\*** Before commencing installation please take the time to read through our resources available on our website.
