Separately, the Ethan Goldman-led company, which was previously housed within creative agency Anchor Worldwide, has promoted Sam DeVaney to Manager of Development.

DeVaney will report to Baglio. Braxton and Baglio both will report to Goldman.

“Keayr and Dan are both accomplished storytellers whose passion for their craft is central to our continued growth within the premium space, and Sam has proven herself to be a talented development executive in her own right,” said Goldman. “With this dynamic team in place, we’re setting ourselves up for even greater success as we head into the company’s next chapter.”
