

transformative COACHING

We'll create an environment where you are comfortable and can be your authentic self

Candace believes we all have the potential to reach our goals and achieve great things, and that this potential can be unlocked through self-discovery and exploration. Her coaching approach focuses on asking meaningful questions which empower her clients to identify their values, tap into their inner wisdom, and find the answers to experience the best of themselves. She strives to create a non-judgmental and supportive atmosphere by approaching every situation with a strong sense of values; focusing on trust, honesty, empathy, and authenticity.

Candace Horton

Candace (she/her) has over thirty years experience in Human Resources, focusing on employee relations and learning and development. She has supported, trained, and coached all levels of leadership as well as individual contributors. She is an inclusive coach who has the proven ability to have and support others to have healthy conversations to learn and innovate together.
