A full-page background image of a rugged mountain range. The peaks are jagged and rocky, with some areas covered in scree. The lighting suggests late afternoon or early morning, with warm golden light hitting the mountain faces and long shadows. In the lower foreground, a small, rocky outcrop with some green shrubs has a lone hiker in a red jacket standing on it, looking out over the valley. The sky is a pale blue with a few wispy clouds on the right side.
