

Decorative and Construction Materials

Avonite Surfaces® is a global leading brand of solid surface products for the design community. A pioneer in solid surfacing since 1983, Avonite Surfaces® was the first to introduce a vibrant spectrum of colors at a time when the industry consisted of only pale neutrals. We offer a broad palette of colors and designs for every project. It can be used in vertical or horizontal applications, applied in straight or curved lines, or thermoformed into a myriad of shapes. We continue to expand our line of offerings with innovative, spectacular colors and patterns for our customers. Avonite Surfaces® sets the new standard in the industry by offering a wide range of acrylic solid surface sheets, in the widest range of available standard widths and thicknesses. Ultimate flexibility for our Customers!
