Formica® Compact

Structural phenolic panels by Formica Group

Versatile, practical, and beautiful, Formica® Compact is a structural, two-sided laminate that provides endless creative possibilities for fixtures and furniture in commercial, institutional, and hospitality settings. Formica® Compact has high strength, impact, water and humidity resistance, and can be routed to create different shapes and forms. Available in Solid Colors (except 8812 Tinted Paper Terrazzo and 8813 Tonal Paper Terrazzo), Patterns (except 5281 Dogbone White, 5875 Neutral Weft and 9271 Reclaimed Denim Fiber) and Woodgrains.

ColorCore®2 Compact

Color through Compact by Formica Group

ColorCore®2 Compact is a structural, two-sided laminate that provides color that goes all the way through so there is no dark edge. With a collection of solid colors and patterns, there are endless creative possibilities for fixtures and furniture in commercial, institutional, and hospitality settings, that stand up to heat and humidity.
