

Aliza Kelly

astrologer. author. host. media personality.

ABOUT

@alizakelly

Instagram: 110K followers

TikTok: 55K followers

Twitter: 8.7K followers

Referred to as a "rising star" in modern spirituality, Aliza Kelly is an astrologer, witchy bestie, and the voice of Gen Z and Millennial mysticism. She pens a biweekly column in New York Magazine's The Cut, hosts a show with People Magazine, and has authored four books. Aliza maintains a top-performing Spotify Live podcast titled "Astrology Dating," a robust online community, and is the resident astrologer of Bumble. Aliza resides in New York City with her husband and rescue pup.
