

# Know Your Biomarker

Thank you for downloading the Know Your Biomarker materials. For best printing results, please follow the instructions below.

## Poster

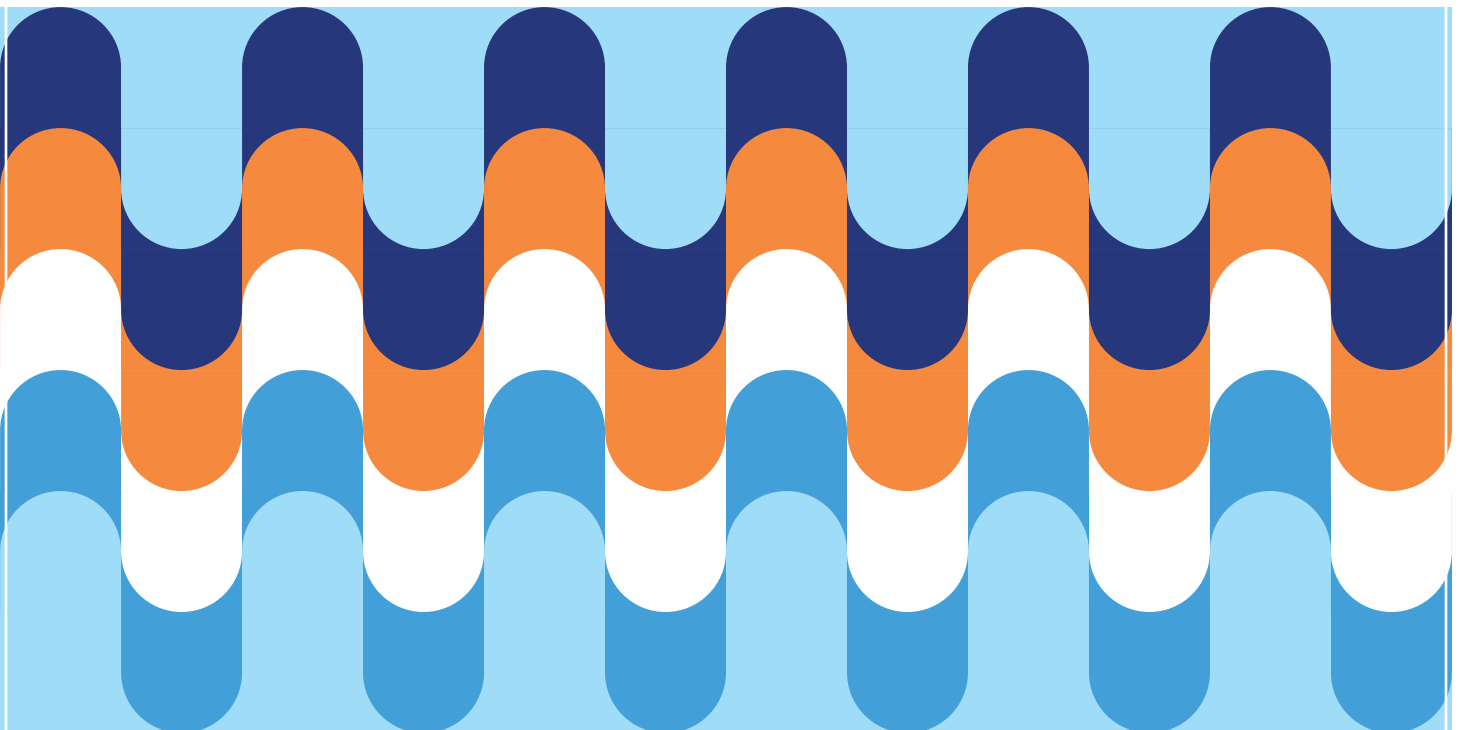

The poster is designed to print on tabloid size paper (11" x 17"). If you do not have access to a printer that can handle that size, select the "fit to page" option and print on 8.5"x 11" letter size (or A4). Please test to make sure that the QR codes are working before posting.

## Display Cards

On pages 3 and 4 of this PDF, you will find the 4" x 4" cards individually. These are meant to print at 100%, but if you prefer them larger (e.g. to hang on the wall), you can choose the "fit to page" option on your printer.

We have also provided them set up as 8.5" x 11" sheets with 4 cards per page. You will have to trim these following the crop marks on the page.

If you have any questions, please email us at [biomarkers@globalcca.org](mailto:biomarkers@globalcca.org).

# Know Your Biomarker

Learn about each biomarker and how it may impact your colorectal cancer treatment options.

Scan the QR code for your biomarker or visit [knowyourbiomarker.org](https://knowyourbiomarker.org)

for more information about specific biomarkers, biomarker testing, and treatment impact.
