STC - The Gateway to High-Tech and Digital Learning

Sree Saraswathi Thyagaraja College founded by V.S.V. Vidyaa Mandir Trust on 22nd Oct 1997 with an objective to meet the higher educational needs of the surging youth of our country, has become the cynosure of everyone and has won the confidence of the people as an institution of excellence with discipline, quality and values.

The trust was formed by the three great visionaries of the three Philanthropic families – Thiru. P.M. Thyagarajan (late), and Smt. T. Saraswathi (late), Thiru. M.K. Arumugam (late) and Smt. A. Mahalakshmi (late) and Thiru. D. Sivaraman (late) and Smt. Vasantham Sivaraman (late). Now the institution is ably run and professionally managed by the highly enterprising and service minded business titans and their legal heirs, Thiru. M.A. Vijayamoghan as Chairman, Thiru. T. Sethupati as Vice Chairman and Thiru. S. Venkkatesh as Secretary.

Dr. M. Settu (late) a brilliant corporate wizard who is no more, played a major role with his road map, strategic guidance and meticulous planning in transforming the institution into an excellent one and his atman ever remains as the guiding spirit of STC for its great leap. The induction of new directors Mrs. Shravanthy Krishnamurthy, Mr. M.V. Sreekanth and Mr. P.T.S. Shreeram into the Management Board has given a new dimension, lustre and extra mileage to the management of the Institution.

STC stands unique and majestic with its 'A' grade twice by the NAAC, Autonomous Status, ISO Certification 21001:2018, the 2nd Best College Award among the affiliated colleges of Bharathiar University and the Second Rank holder in Sports and Athletics continuously during the last seven years.

Beginning its academic YATRA with a skeleton strength of 37 students in 1997 it is strong as on date with 3000 students. Being Co-Educational and Autonomous, it has several unique selling propositions, need based curricula and outcome based programmes. Being student centric to the core, it has many skill development programmes, supported by Words Worth language lab for English Communication, BEC Courses, Yoga and value education, Wi-Fi, free high speed internet connectivity and excellent library with 43000 books and a journal section having 148 national and international journals and magazines, besides, e-journals, DELNET and INFLIBNET facilities. The institution is very much proud of having airy and spacious class rooms, smart class rooms, and facilities to use ICT tools for technology enabled learning, and a plethora of online courses through the National Programme of Technology Enabled Learning (NPTEL). A new building named **VSV Centre for Advanced Studies** with all modern facilities has been opened to enhance the teaching, learning exercises and research pursuits and for accommodating the new and the latest programmes introduced.

The management always thinks in a big way. It has several scholarship schemes for students who are meritorious, economically backward and extra-ordinarily proficient. The institution has also introduced a special scholarship scheme through STC MSET for UG and PG students from 2019 onwards. Nearly Rs. 10 crore have been disbursed to students as scholarships since 2004-05.

The institution is set well with its good academic ambience, excellent infrastructure, well trained and highly qualified teaching faculty, disciplined student community and a dynamic and enlightened Management and Stakeholders to offer education with discipline and values for nation's development and societal transformation and upliftment. It is proud to place on record that it has introduced Outcome Based Education (OBE) from 2018-19 to enable the students to gain mastery over the subjects, global competency and acquire skill-sets and values of life.

To meet the requirements of safety and security of girl students and accommodate those who have come from other states and far off places, a modern, well-furnished hostel is functioning with a lady warden.

The college has a Boys' hostel functioning with modern facilities like Wi-Fi and other facilities since 2006-2007.

The campus has four seminar halls which include two AC seminar halls, one AC conference hall and one multipurpose Non-AC hall. A well-built separate Sports Complex with indoor and outdoor game facilities and an ultra modern gym to meet the sporting needs of students is available. It also meets the professional training requirements of students to participate in National and International sports meets. The institution has crossed the students strength of 3000 and is all set well to realize its Vision: *"To become a Premier Institution and emerge as a University of Excellence"*

Outcome Based Education

“Outcome-Based Education” (OBE) is considered as a student-centred instruction model that focuses on measuring student performance through learning outcomes. Outcomes include knowledge, skills and attitudes. In the OBE model, the required knowledge and skill sets for a particular degree is pre-determined and the students are evaluated for all the required parameters (Outcomes) during the course of the programme.

Swayam

“Swayam” is a programme initiated by the Government of India and designed to achieve the three cardinal principles of Education Policy viz., access, equity and quality. The objective of this effort is to take the best teaching learning resources to all, including the most disadvantaged. Swayam seeks to bridge the digital divide for students, who have hitherto remained untouched by the digital revolution and have not been able to join the mainstream of the knowledge economy. With a focus on establishing quality in education, STC has adopted and implemented Outcome Based Education (OBE) – curriculum design with effect from the academic year 2018-2019.

Evaluation System

Students are evaluated by the continuous Internal Assessment system and the Semester Examinations conducted by the college at the end of the semester under autonomy. Marks for internal assessment is computed based on the marks secured by the student, in Cycle Tests I and II, Model Examinations and Assignment / Seminar, following the norms stipulated by the Bharathiar University or the college. The total marks scored in the Continuous Internal Assessment and semester examinations put together gives the marks scored by a student in the examination of that semester.

Features of Autonomy

Sree Saraswathi Thyagaraja College was awarded Autonomous status by the University Grants Commission and Bharathiar University during the year 2008-09. The Autonomy came into force from the Academic year 2009-10. All the Under Graduate and Post Graduate students admitted during the Academic year 2009-2010 and thereafter come under autonomous system. With the autonomous status Sree Saraswathi Thyagaraja College has got the freedom to determine and design the curriculum and prescribe its own syllabi and restructure and redesign the course to suit industry needs; prescribe rules for admission in conformity with the reservation policy of the state government.

- Evolve the methods of assessment of student performance, conduct of examinations and declaration of results
- Use modern tools of education technology to achieve higher standards and greater creativity and
- Promote healthy practices such as community service, extension activities, project and programmes for the benefit of the society at large and the neighbourhood.

Towards achieving these objectives Sree Saraswathi Thyagaraja College has constituted Boards of Studies for different disciplines / programmes. Syllabi and scheme of examinations have been framed newly that are being implemented from the Academic year (2009-2010). Office of the Controller of Examinations has been created with Controller of Examinations as the head. Examination Rules and Regulations have been formulated and the salient features of the syllabi and scheme of examinations are:

- Choice Based Credit System (CBCS)
- More industry oriented need based syllabi with greater emphasis on practicals / projects / internship
- Internal assessment as a component of evaluation for 25% marks

A Revised Syllabi has been introduced from 2012-13 for all PG courses. Professional Ethics and Job Oriented Courses have been added as new components in the syllabi. Which is quite often updated suitable to the current trend.

Syllabus coverage

The coverage of syllabus unit-wise will be strictly followed as scheduled in the calendar except for some deviations in respect of students of I year UG and PG courses for whom classes commence normally at a later date.

Words Worth

It is not only technology that has shrunk the world into a 'Global Village', but the advent and the widespread usage of English Language has created its impact too. With English as armour, students can strike any battle and attain their goal. It is their communicative ability that determines their success and sustenance. To enrich students' efficiency in English language and also train them on par with the need of the hour, Words Worth language software has been installed in three labs at STC. This software covers all aspects of English language. With the staff monitoring the system, this software is vital in enhancing and channelizing students' flair for learning English. Installed in 160 systems, Words Worth assists the students to learn the global language in an advanced style.

With one ILT (Instructor Led Training) and one CBT (Computer Based Training) class per week, the software covers the four skills of the language viz Listening, Speaking, Reading and Writing. Module-I is on situational conversations with dual communication. Module-II focuses on grammar, the undercurrent of English Language and Module-III deals with soft skills and life skills. The software serves to be a perfect tool in developing the English speaking ability of our rural as well as semi-urban students.

IQAC

An Internal Quality Assurance Cell (IQAC) was established in 2007 October as per the guidelines of NAAC to ensure high quality education through various quality measures. The IQAC is mandated to pursue its goal of enhanced activities in the campus with respect to performance evaluation, assessment and accreditation and quality up-gradation.

As quality enhancement is a continuous process, the IQAC plays an important role in the institution's system and works towards the realization of the goals of quality enhancement and sustenance. The prime task of IQAC is to develop a system for conscious, consistent and catalytic improvement in the overall performance of the institution. For this, during the post-accreditation period, IQAC would channelize all efforts and measures of the institution towards promoting holistic academic excellence. The work of the IQAC is primarily to step towards internalization and Institutionalization of quality enhancement initiatives. Its success depends on the sense of belongingness and participation of stakeholders. It is not yet another hierarchical structure or a record-keeping organ in the institution; but, it acts as a facilitator and participative voluntary system of the institution. During the academic year, the IQAC has conducted 4 meetings and the minutes and action taken reports have been recorded properly.

Notes

[illegible]

என் இறைவா,
நான் ஏறிக்கொண்டே இருக்கின்றேன் ..
எங்கு இருக்கிறது இலட்சிய சிகரம்?
நான் தோண்டிக்கொண்டே இருக்கிறேன் ..
எங்கு இருக்கிறது அறிவுப் புதையல்?
நான் பெருங்கடலில் நீந்திக்கொண்டே இருக்கிறேன் ..
எங்கு இருக்கிறது அமைதித் தீவு?
இறைவா, நூறு கோடி மக்கள்,
இலட்சிய சிகரத்தையும், அறிவுப்புதையலையும்
இன்ப அமைதியையும் உழைத்து அடைய
அருள்வாயாக!

- டாக்டர். அ.பெ.ஜெ. அப்துல்கலாம்
முன்னாள் இந்தியக் குடியரசுத் தலைவர்
