

Hay and Forage Equipment

Inline Bale Wrappers

Protect silage bales from harsh weather and preserve feed value with Inline Bale Wrappers.

- Electric over hydraulic steering with optional remote control
- Fully automatic cycling
- Tongue conveniently folds and telescopes for easy hook-up and storage
- Film wrap sensor

Model	Power	Bale Capacity	Wrapping Capacity
LW1166	13 hp (9.7 kW)	5 ft. 6 in. (1.7 m) round	120 bales / hr
LW1266	13 hp (9.7 kW)	5 ft. 6 in. (1.7 m) round; 3 x 3 x 5 ft. 6 in. (.9 x 1.7 m) square	120 bales / hr

Bale Carriers

Shorten your workday with reliable Frontier Bale Carriers – a quick, convenient way to move multiple bales from field to storage, or to line them up evenly for wrapping.

- Adjustable bale arms
- Only requires two hydraulic selective control valves (SCV's)
- 45 degree dumping angle

Model	Towing Unit Minimum Weight	Bale Capacity	Loaded Capacity
BC1108	13,300 lb. (6,033 kg)	6 to 8 bales	20,000 lb. (9,072 kg)
BC1110	16,000 lb. (7,258 kg)	8 to 10 bales	24,000 lb. (10,886 kg)

Sickle Bar Mowers

Sickle Bar Mowers mow up or down hillsides with a blade angle that can be adjusted from -45 degrees to +90 degrees.

- Operate cylinder stop from tractor seat
- Double-action cutting bar with hydraulic lifting cylinder
- iMatch compatible

Model	Working Width	Engine HP	Hitch
SB3106	5 ft. 9 in. (1.8 m)	25 - 50 hp (18.6 - 37.3 kW)	Category 1 and 2
SB3107	6 ft. 9 in. (2.1 m)	25 - 50 hp (18.6 - 37.3 kW)	Category 1 and 2
SB3108	7 ft. 8 in. (2.3 m)	25 - 50 hp (18.6 - 37.3 kW)	Category 1 and 2

Small Square-Bale Fork

Moving small square bales can be just as efficient as larger ones with a Small Square-Bale Fork. Move eight flat, or ten small indexed square bales in a single load to save time, fuel, and labor expenses.

- 32 engaging teeth for secure transporting
- Adjustable guide bar allows for multiple bale sizes
- Loader Quick-Attach capabilities

Model	Bale Handling Capacity	Loader Series / Carrier
AB16 (A, D, and G)	Flat - Eight Small Square Bales, or 10 on edge	600, 700, and 800 / Global Carrier
