Notes:

1. The above results were reviewed by the Audit Committee and approved by the Board of Directors of the Company at its meeting held on June 30, 2021.
2. Due to restrictions imposed by the Union and State Governments for the ongoing Covid-19 pandemic, after commencing shoot in March 2021, the Company had to hold back the scheduled shoot in April 2021 of Season 3 of Four More Shots Please. Instead the Company focused on writing and developing new shows. Filming is expected to commence in the second or third quarter of financial year 2021-2022. The Company makes periodic assessments of the pandemic's impact on its business and cash flow. It is working on the assumption that the setback caused to its business is temporary and production is likely to resume in the current financial year. The Company does not anticipate material medium to long term risks to its business prospects.
3. The long-standing disputes with Prasar Bharati which have been in arbitration, have now been settled and the Company has received the settlement amount in January 2021. After adjusting what the Company has received and what was due to Prasar Bharati on account of past telecast fees, ₹ 3.39 crore has been written off during financial year 2020-2021.
4. The Company had received an award of ₹ 3.52 crore plus interest of ₹ 35 lakh in its favour in the arbitration filed against White Feather Films (Proprietor Sanjay Gupta). White Feather Films has gone in appeal against the award and was directed to deposit an amount of ₹ 3 crore by the Bombay High Court, which they failed to do. The Company has filed a petition for execution of the arbitration award. The Bombay High Court has restrained Sanjay Gupta from disposing of, encumbering, alienating, transferring, and parting with the possession of or creating any third party rights or interest in his 3 properties in Pune and Khandala valued at ₹ 12 crore. The advance of ₹ 3.17 crore is therefore considered as fully recoverable.
5. The Company has initiated proceedings for recovery of an advance of ₹ 1.5 crore given to Saboo Films Pvt Ltd and Bharat Film Works against film rights. Proceedings are ongoing before the Bombay High Court and the management considers the same as fully recoverable and hence no provision is made. Legal opinion obtained by the Company supports this.
6. PNC Wellness Ltd, a subsidiary which owns several wellness brands, is exploring avenues to commercialize these brands with other parties. As there was no revenue generation during the financial year 2020-2021, based on internal evaluation, during the year the management has made a provision of ₹ 58.20 lakh for diminution in value of investment in this subsidiary being 1/5th of its gross investment of ₹ 291 lakh and with this, the diminution in value of investments has been fully provided for.
7. The Company has an investment of ₹ 70.20 lakh in equity shares of its subsidiary, PNC Digital Ltd. The net worth of this subsidiary is substantially eroded. The Company has agreed to provide its films to this subsidiary to explore revenue opportunities on digital platforms. In view of this and the fact that it requires no further capital deployment to generate revenue, no provision for diminution in value of investment, which is considered temporary, has been made in the accounts.
8. During the year, Company has reviewed its accounting estimate in respect of cost of content and amortization. Consequent to the change, the Company has written off an amount of ₹ 76.39 lakh for the year 2020-21 as per revised accounting estimate instead of ₹ 143.75 lakh as per the earlier accounting estimate. The impact on future periods is impracticable to estimate at this stage.
9. The Company has taken adequate steps to preserve its available resources and reduce cash burn.
10. There are no exceptional and extra ordinary items.
11. The Board of Directors has not recommended any dividend for the year.
12. The Company and one subsidiary PNC Digital Ltd operate in a single segment: Digital content. The other subsidiary PNC Wellness Ltd operates in the wellness segment.
13. The figures of the last quarter are the balancing figure between audited figure in respect of the financial year and the published year to date figures upto the third quarter of the current financial year. The figures for corresponding previous period/last year have been regrouped and reclassified, wherever necessary, to make them comparable.

In our opinion and to the best of our information and according to the explanations given to us these standalone financial results:

- i. are presented in accordance with the requirements of Regulation 33 of the Listing Regulations in this regard; and
- ii. give a true and fair view in conformity with the recognition and measurement principles laid down in the applicable accounting standards and other accounting principles generally accepted in India of the net loss and other comprehensive income and other financial information for the quarter ended March 31, 2021 as well as the year to date results for the period from April 01, 2020 to March 31, 2021.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013 (“the Act”). Our responsibilities under those Standards are further described in the *Auditor’s Responsibilities for the Audit of the Standalone Financial Results* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial results under the provisions of the Act, and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

We draw attention to:

- a. Note 2 which describes the impact of COVID-19 pandemic on the operations of the Company.
- b. Note 4 which states about an award of Rs 352 lakh plus interest of Rs 35 lakhs received by the Company in its favour in the arbitration case filed against White Feather Films (Proprietor Sanjay Gupta). White Feather Films has gone in appeal against the above said award. The court has directed the proprietor not to dispose off/create any third party rights on his properties which are valued at Rs 1200 lakh. Proceedings are ongoing and in view of the same

outstanding of Rs. 317.53 lakhs is considered as fully recoverable and consequently there is no provision made of any amount there against.

- c. Note 5 which states about proceedings initiated by the Company for recovery of advances of Rs 150.00 lakh. Proceedings are ongoing before the Bombay High Court and management considers the same as good and fully recoverable and consequently there is no provision made of any amount there against for the reasons stated in the said note.
- d. Note 6 which describes about the provision for diminution of Rs. 58.20 lakhs in investment in subsidiary “PNC Wellness Ltd” based on the factors stated in the said note.
- e. Note 7 which describes about the investment in subsidiary “PNC Digital Ltd.” stands at Rs. 70.20 lakhs whereas the net worth of the subsidiary is eroded substantially. No provision for diminution in value of investment, which is considered temporary, has been made in the accounts for the reasons stated in the said note.
- f. Note 8 which describes change in accounting estimates in respect of cost of content and amortization thereof. Consequent to the change, the Company has written off an amount of Rs. 76.39 lakh for the year 2020-21 as per revised accounting estimates instead of Rs.143.75 lakh as per the earlier accounting estimates. In the opinion of the management, the impact on future periods is impracticable to estimate at this stage.

Our opinion is not modified in respect of the above matters.

Management’s Responsibilities for the Standalone Financial Results

These standalone financial results have been prepared on the basis of the annual standalone financial statements. The Company’s Board of Directors are responsible for the preparation of these standalone financial results that give a true and fair view of the net loss and other comprehensive income and other financial information in accordance with the recognition and measurement principles laid down in Indian Accounting Standard prescribed under Section 133 of the Act, read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting `frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial results that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial results, the Board of Directors are responsible for assessing the Company’s ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company’s financial reporting process.

Auditors Responsibilities for the Audit of the Standalone Financial Results

Our objectives are to obtain reasonable assurance about whether the standalone financial results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement

when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial results, including the disclosures, and whether the standalone financial results represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial results that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial results may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial results.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Other Matter

Attention is drawn to the fact that the standalone financial results include the result for the quarter ended 31st March, 2021 being the balancing figure between audited figures in respect of full financial year and published period end figures up to the third quarter of the current financial year which were subject to limited review by us.

Our opinion is not modified in respect of above matter.
