### PRESENT ECONOMIC SITUATION AND PERFORMANCE OF THE COMPANY

The Company operates in the wellness business segment which it pioneered in India when it opened Moksh: The Wellness Place in Mumbai. After a decade of pioneering activity, with rentals increasing and the wellness business, like many others, shifting to digital platforms Moksh was shut down. The Company however continues, intending to use the brand's goodwill and reputation to build a digital opportunity at an appropriate time. It has designed several yoga brands that it hopes to commercialize. Considering there was no revenue generation during the year under review, the holding Company has made further provision for diminution in values of its investments by 1/5th of its book value and with this, the value of investments in the Company has been fully provided for.

### DIVIDEND

Your directors do not recommend any dividend.

### TRANSFER TO RESERVE

Your Company has not transferred any amount to general reserve.

### PUBLIC DEPOSITS

There are no public deposits with the Company as at March 31, 2021.

**INDEPENDENT AUDITOR'S REPORT  
TO THE MEMBERS OF PNC WELLNESS LIMITED**

---

**Report on the Audit of Financial Statements**

**Opinion**

We have audited the accompanying financial statements of **PNC Wellness Limited** ("the Company"), which comprise the Balance sheet as at 31<sup>st</sup> March, 2021, and the Statement of Profit and Loss (including Other Comprehensive Income), Statement of Changes in Equity and Statement of Cash Flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021, and its loss (including other comprehensive income), changes in equity and its cash flows for the year ended on that date.

**Basis for Opinion**

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**Emphasis of Matter**

We draw attention to Note 3 to the financial statements which relates to the retaining of deferred tax assets of Rs. 18.93 Lakh created against the accumulated losses in the books, in view of the plans of revival of business as described in the note.

Our opinion is not modified in respect of the above matters.

**Material Uncertainty related to Going Concern**

We draw attention to Note 23 in the financial statements, which indicates that the Company has accumulated losses as at the date of Balance Sheet. Further net worth of the Company is substantially eroded. These conditions indicate the existence of a material uncertainty that may cast significant doubt about the Company's ability to continue as a going concern. However, the financial statements of the Company have been prepared on a going concern basis based on the comfort letter received from the

Holding Company giving assurance that they will provide all necessary financial support to meet liabilities of the Company as and when they arise.

Our opinion is not modified in respect of this matter.

**Other Information**

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

**Responsibilities of Management and Those Charged with Governance for the Financial Statements**

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act, with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

**Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

#### **Report on Other Legal and Regulatory Requirements**

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure A", a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
  - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
  - (c) The Balance Sheet, the Statement of Profit and Loss (including Other Comprehensive Income), Statement of Changes in Equity and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
  - (d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act
  - (e) On the basis of the written representations received from the directors as on 31<sup>st</sup> March, 2021 taken on record by the Board of Directors, none of the directors is disqualified as on 31<sup>st</sup> March, 2021 from being appointed as a director in terms of Section 164 (2) of the Act.
  - (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
  - (g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:  
In our opinion and to the best of our information and according to the explanations given to us, the Company has not paid or provided for any managerial remuneration during the year and therefore the provisions of section 197 of the Act are not applicable during the year under report.

- (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements - Refer Note 20 to the financial statements;
  - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
  - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.

**ANNEXURE B TO THE AUDITOR'S REPORT**

(Referred to in paragraph 2 under 'Report on Other Legal and Regulatory Requirements' section of Independent Auditors' Report on financial statements of even date)

**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of PNC Wellness Limited ("the Company") as of March 31, 2021 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

**Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

**Auditor's Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

### Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

### Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

## **PNC Wellness Limited**

**Notes forming part of Financial Statements for the year ended March 31, 2021.**

### **Corporate Information**

PNC Wellness Limited ("the company") is a company incorporated and domiciled in India.

The company is wholly owned subsidiary company of Prithvi Nandy Communications Limited. The registered office of the company is situated at 87/88 Mittal Chambers, Nariman Point, Mumbai 400021.

The Company has expertise in providing facility like gymnasium and cardio gymnasium, spa, beauty and salon services, yoga and meditation classes, aerobic training, massage therapy and foot massage therapy. The Company, which owns several brands like Moksha and sub brands like Power Yoga, Passion Yoga, Cool Yoga, Couple Yoga etc, is exploring avenue to commercialise its aforesaid brands.

#### **1. Basis of preparation**

The principal accounting policies applied in the preparation of these financial statements are set out below.

These policies have been consistently applied to all the years presented, unless otherwise stated.

##### **a. Compliance with Ind AS:**

The financial Statements comply in all material respects with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 ("the Act") [Companies (Indian Accounting Standards) Rules, 2015] and other relevant provisions of the Act.

The financial statements have been prepared on accrual and going concern basis.

##### **Historical cost convention:**

i) The Financial Statements have been prepared on a historical cost.

ii) The financial statements have been prepared on accrual basis of accounting.

##### **Rounding of Amounts:**

The financial statements are presented in INR and all values are rounded to the nearest lakhs, except when otherwise indicated.

##### **b. Recent Indian Accounting Standards (Ind AS)**

Ministry of Corporate Affairs ("MCA") notifies new standard or amendments to the

existing standards. There is no such notification which would have been applicable from April, 2020

**c. Significant estimates, judgements and assumptions**

The preparation of financial statements in conformity with Ind AS requires the management to make estimates, assumptions and exercise judgment in applying the accounting policies that affect the reported amount of assets, liabilities and disclosure of contingent liabilities at the end of the financial statements and reported amounts of income and expense during the year.

The management believes that these estimates are prudent and reasonable and are based on management's best knowledge of current events and actions. Actual results could differ from these estimates and difference between actual results and estimates are/shall be recognised in the period in which results are known or materialized.

Information about the critical judgements in applying accounting policies, as well as estimates and assumptions that have the most significant effect to the carrying amounts of assets and liabilities within the next financial year, are included in the following notes: Recognition of deferred tax assets.

**d. Current and non-current classification**

Operating cycle of the Company is ascertained as twelve months as per criteria set out in Division II of Schedule III of the Act. Accordingly, all assets and liabilities have been classified as current or non-current.

**2. Significant Accounting Policies**

**2.1 Cash and cash equivalents**

Cash and cash equivalents in the balance sheet comprise cash at bank, cash in hand and short-term deposit with original maturity upto three months, which are subject to insignificant risk of changes in value.

For the purpose of presentation in the statement of cash flows, cash and cash equivalents consists of cash and short-term deposit, as defined above, net of outstanding bank overdraft as they are considered as an integral part of Company's cash management.

**2.2 Investments and other Financial assets**

**a. Classification**

The company classifies its financial assets in the following measurement categories:

- i) Those to be measured subsequently at fair value (either through Other Comprehensive Income, or through profit or loss)

- ii) Those measured at amortised cost.

The classification depends on the business model of the entity for managing financial assets and the contractual terms of the cash flows.

For assets measured at fair value, gains and losses will either be recorded in Other Comprehensive Income or profit or loss. For investments in debt instruments, this will depend on the business model in which the investment is held.

For investments in equity instruments, method of recognition will depend on whether the Company has made an irrevocable election at the time of initial recognition to account for the equity investment at fair value through Other Comprehensive Income.

**b. Recognition and measurement**

**i. Initial Recognition:**

Financial assets are recognised when the Company becomes a party to the contractual provisions of the instrument. Financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are expensed in the Statement of Profit and Loss.

**ii. Subsequent Measurement:**

After Initial recognition, financial assets are measured at:

- I. Financial assets carried at amortized cost
- II. Financial assets at fair value through other comprehensive income
- III. Financial assets at fair value through profit and loss;

**c. Debt instrument-**

Subsequent measurement of debt instruments depends on the Company's business model for managing the assets and the cash flow characteristics of the asset. There are three measurement categories into which the Company classifies its debt instruments:

**i. Measured at amortized cost:**

Financial Assets that are held for collection of contractual cash flow where those cash flows represent solely payment of principal and interest are measured at amortised cost. Interest income from these financial assets is included in interest income using the Effective Interest Rate (EIR) method the amortisation of EIR and loss arising from impairment, if any is recognised in the Statement of Profit and Loss.

**ii. Measured at fair value through Other Comprehensive Income (FVTOCI):**

Financial assets that are held within a business model whose objective is achieved by both, selling financial assets and collecting contractual cash flows that are solely payments of principal and interest, are subsequently measured at fair value through Other Comprehensive Income (FVTOCI).

Fair value movements are recognised in the OCI. Interest income measured using the EIR method and impairment losses, if any are recognised in the Statement of Profit and Loss.

On de-recognition, cumulative gain/ (loss) previously recognised in OCI is reclassified from the equity to other income in the Statement of Profit and Loss.

**iii. Measured at fair value through profit or loss (FVTPL):**

A financial asset not classified as either amortised cost or FVTOCI, is classified as Fair Value through Profit or Loss (FVTPL). Such financial assets are measured at fair value with all changes in fair value, including interest income and dividend income if any, recognised as other income in the Statement of Profit and Loss.

**d. De-recognition of financial assets:**

A financial asset is de-recognised only when the company:

- i) has transferred the rights to receive cash flows from the financial asset or
- ii) retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

Where the entity has transferred an asset, the company evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is de-recognised through statement of Profit and loss or Other Comprehensive Income as applicable.

Where the entity has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not de-recognised.

Where the entity has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is de-recognised if the company has not retained control of the financial asset. Where the company retains control of the financial asset, the asset is continued to be recognised to the extent of continuing involvement in the financial asset.

**e. Financial Liabilities at FVTPL**

Financial liabilities are classified as at FVTPL when the financial liability is held for trading or are designated upon initial recognition as FVTPL.

Gains or losses on financial liabilities held for trading are recognised in the Statement of Profit and Loss.

**f. Other Financial liabilities:**

**i. Classification as debt or equity**

Financial liabilities and equity instruments issued by the Company are classified according to the substance of the contractual arrangements entered into and the definitions of a financial liability and an equity instrument.

**ii. Initial recognition and measurement:**

Financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument. Financial liabilities are initially measured at the fair value.

**iii) Subsequent measurement:**

Financial liabilities are subsequently measured at amortised cost using the effective interest rate method. Financial liabilities carried at fair value through profit or loss are measured at fair value with all changes in fair value recognized in the Statement of Profit and Loss.

**iv) De-recognition:**

A financial liability is de-recognised when the obligation specified in the contract is discharged, cancelled or expires.

**g. Off-setting financial instruments:**

Financial assets and liabilities are offset and the net amount is reported in the Balance Sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Company or the counterparty.

**2.3 Revenue Recognition**

The Ministry of Corporate Affairs has notified Ind AS 115-“Revenue from Contracts with Customers” effective for annual periods beginning on or after April 01, 2018.

However, during the year, Company has not carried out any revenue generating activities.

**2.4 Taxation**

Tax expense comprises of current and deferred tax.

**i. Current tax:**

Current tax is the amount of income taxes payable in respect of taxable profit for a period. Current tax for current and prior periods is recognized at the amount expected to be paid to or recovered from the tax authorities, using the tax rates and tax laws that have been enacted or substantively enacted at the balance sheet date. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate. Current tax is recognized in the statement of profit and loss except to the extent that the tax relates to items recognized directly in other comprehensive income or directly in equity.

ii. **Deferred tax:**

Deferred tax assets and liabilities are recognized using the balance sheet approach for all temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements except when the deferred tax arises from the initial recognition of an asset or liability that effects neither accounting nor taxable profit or loss at the time of transition.

Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realized.

Deferred tax assets and liabilities are measured using tax rates and tax laws that have been enacted or substantively enacted at the balance sheet date and are expected to apply to taxable income in the year in which those temporary differences are expected to be recovered or settled.

Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized.

Unrecognized deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Deferred tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

iii. **Minimum alternate tax (MAT)**

MAT paid in a year is charged to the Statement of profit and loss as current tax. MAT credit entitlement is recognised as an asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the specified period, which is the period for which MAT credit is allowed to be carried forward. Such asset is reviewed at each balance sheet date and the carrying amount of the MAT credit asset is written down to the extent there is no longer a convincing evidence to the effect that the Company will pay normal income tax during the specified period.

## **2.5 Earnings per share**

Earnings per share (EPS) is calculated by dividing the net profit or loss (excluding other comprehensive income) for the period attributable to Equity Shareholders by the weighted average number of Equity shares outstanding during the period. Earnings considered in ascertaining the EPS is the net profit for the period and any attributed tax thereto for the period.

For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders is adjusted for after income tax effect of interest and other finance costs associated with dilutive potential equity shares and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

## **2.6 Provisions and contingent liabilities**

The company recognizes provisions when a present obligation (legal or constructive) as a result of a past event exists and it is probable that an outflow of resources embodying economic benefits will be required to settle such obligation and the amount of such obligation can be reliably estimated. Provisions are not recognized for future operating losses.

If the effect of time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not require an outflow of resources embodying economic benefits or the amount of such obligation cannot be measured reliably. When there is a possible obligation or a present obligation in respect of which likelihood of outflow of resources embodying economic benefits is remote, no provision or disclosure is made.

22 DEFERRED TAX

Deferred tax asset was Rs. 18.93 lakhs as on March 31, 2021 (Refer note no. 3 of notes to the financial statements). There has been no material change in the nature of the business of the company. During the year, the company has operated only in one business segment i.e. Wellness segment. The company owns the wellness brand 'Moksh' and sub brands like power yoga, passion yoga, cool yoga, couple yoga etc. The company is exploring avenues to commercialize its aforesaid brands. The company is in process of realigning its business by making efforts to commercialize and lease its various brands through collaborative arrangements with other parties. There is ongoing dialogue in connection with commercial exploitation of intellectual property rights owned by the company. Such efforts have not translated into revenue generation in the year under review. No further deferred tax provided for the current year. This asset has been retained at a value of Rs. 18.93 lakhs and will be reviewed periodically; and provision if any will be made there against.

23 Though the capital of the Company is substantially eroded, in the opinion of Board of Directors, going concern assumption is not affected as the Board of Directors of the company and Holding Company both are optimistic about the future and Holding Company has confirmed to provide all support necessary to meet its commitments in the next twelve months including arranging funds to meet any liability, if any.

24 IMPACT OF COVID-19 ON THE COMPANY

The Company has analysed all the relevant parameters associated with the risk due to pandemic COVID -19 and is of the opinion that it will not have any material impact on the business and going concern assumptions.
