

**Company:** Smart Space Ltd

**Document number:** CEMO-15-83a

**Issue Date:** 29 October 2015

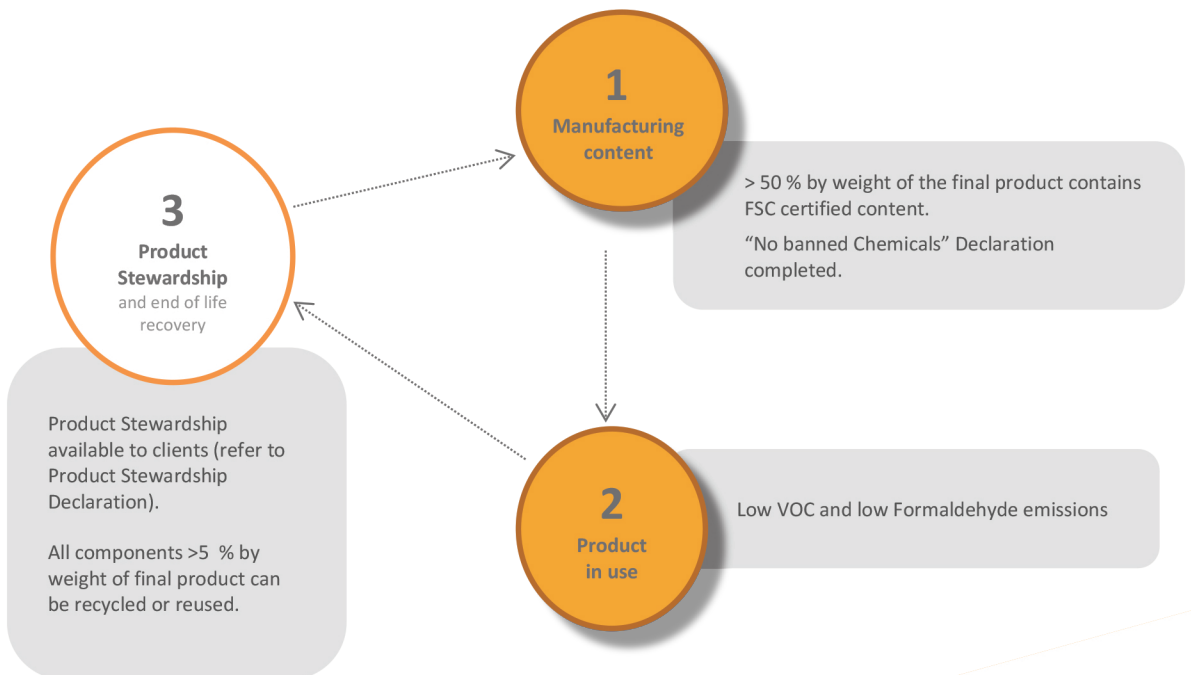

**Valid until:** 29 October 2017

Having conducted a review of the documentation supplied by Smart Space, and the individual material components that form part of the Phoenix and Rubix workstations (using Autex Cube for the screen divider), EnviroSpec confirms that the product satisfies the New Materials framework requirements of CEMO.

## Smart Space Ltd

### Phoenix and Rubix Workstations

- With Autex Cube divider Screen
