Organic Fusilli Pasta

This organic fusilli pasta is the definition of gourmet. It's made in Southern Tuscany using premium, high density, 100% organic durum wheat. Seggiano's pantry staple is also bronze drawn, which gives it a rough, matte texture that binds with rich and creamy sauces. Try it in pasta bakes, salads or one-pan dishes.

Truffle Artichoke Pesto

Speaking of rich, creamy sauces, this truffle and artichoke pesto from Belazu would be a beautiful accompaniment to organic fusilli. Artichokes and Parmigiano Reggiano are subtly blended with Italian summer truffles and black pepper to give this pesto an earthy and robust flavour. It's also delicious mixed with breadcrumbs as stuffing for mushrooms and roast chicken, or spread on a baguette and topped with walnuts and parsley.
